GIBBS TO SPEAK AT 2004 STATE MEETING.

Attorney David C. Gibbs, Jr. of the Christian Law Association will be the guest speaker for the 2004 annual meeting of the State Association of Original Free Will Baptists, Inc. Mr. Gibbs is known as one of the foremost authorities on the law as it relates to Christians and Churches but he is also a much sought after Bible Conference speakers declaring the whole counsel of God. He is well known by many in our ranks and excitement is already stirring in anticipation of his being part of our 2004 State Meeting- February 26-27, 2004: Hosted by the Beaver Creek Conference. {A description of the Christian Law Association can be found on the back page. This will better inform you of the ministry of Mr. Gibbs as well as provide information that may be useful to some of our Churches.}

PAY THE PREACHER

1Ti 5:17 ¶ Let the elders that rule well be counted worthy of double honour, especially they who labour in the word and doctrine. (1 Tim 5:18) For the scripture saith, Thou shalt not muzzle the ox that treadeth out the corn. And, The labourer is worthy of his reward.

One of the subjects that people want a preacher to NEVER preach on and never mention is the subject of pay. It is assumed that if a preacher mentions money in his sermon (other than ways for members to get lots of it via prayer and obedience!) then he is a money hungry hypocrite. Because of this perception many church members and leaders are unaware of their responsibility to adequately support those who minister to them.

Most preachers could earn a lot more money for a lot less work but the fire that burns in their heart from the call of God goes beyond dollars to their duty to God and their flock. So year after year they suffer in silence because of lack of knowledge or unconcern by church members. **What can you do?**

1) A Pastor should be considered for a raise EVERY year. If the church budget will not allow a raise then the Pastor needs to know that it was at least considered.

2) The attitude of the Church should be "How much can we give to this servant of God." not "How little can we pay and get by with". (If paying your pastor an adequate salary ruins him then he has more problems than money!). If YOU want an adequate salary then shouldn't you want the same thing for your Pastor?

Midlands FWB Church, Columbia, SC: Four generations of Free Will Baptists and four generations of Baxley family were present on May 11 (Mother's Day) at Midlands FWB Church in West Columbia. They came together on this special day for the dedication of Bryson Baxley to the Lord. Pastor Ernest Barnes rejoiced in the large number of church members and visitors who also attended this special service.

Pastor Phillip Tipton and the Congregation of **New Prospect FWB Church**, Pamplico are rejoicing in the refinished pews in their Church. Sun shining in through windows had faded materials and peeled varnish but a problem was turned into a plus as the church joined together and raised the money for this project so that the church now has a new look inside.

Heartland FWB Church rejoiced in the dedication of their new outdoor shelter on Sunday, June 1st. Pastor Eddie Hinson said that the vision of the church was to use the overgrown and almost useless

land behind the church for the glory of God so they began clearing the land and preparing it to be used for singings, special meetings, and camping. The 30 by 60 shelter is completely paid for (largely due to the special offering taken up by the young people of the Church each week) and work is progressing on landscaping the grounds and completing the access road (which will be named "Gandy Lane" for one of the most faithful members of the Church). This is just another way Free Will Baptists are using every means they can to reach their community for the Lord.

Pastor Chris Fannin says **Lebanon FWB Church**, Effingham is "bursting at the seams". So many people are being saved and attendance is increasing so much until they are having to knock out walls and put in more pews-Glory!

Former members, family, and friends packed the sanctuary as the congregation of **Southside FWB Church** in Darlington met on Sunday, April 27th for their **50th Anniversary - Home Coming** celebration. A very interesting Sunday School lesson was presented before the church met to celebrate this special day in their history. The church's past was represented by special music from the Senior Choir, its present was represented by the regular choir, and its future was displayed in specials by the children's choir.

The Youth Choir sing out for Jesus.

Pastor Lowery presents a plaque to Mrs. Ada Miles

Pastor Leroy Lowery then led in a special recognition service in which founding pastor, Rev. Clarence Lambert was honored by a special plaque given to his family members. Also recognized was Mrs. Ada Miles, wife of former Pastor, Rev. Washington Miles. Plaques were also given to charter members and several special members.

Pastor Lowery and members of the Lambert Family.

The Morning message was a powerful call to "Remove not the Ancient Landmarks" by Pastor Lowery that brought many people to the altar to recommit themselves to standing for God and His Word. A wonderful dinner preceded the afternoon sing by the "Crossroads Quartet". Southside FWB Church also hosts a daycare ministry and is the home of Pee Dee Bible Institute.

May 12, 1996 was when it all began. 38 people decided to leave the church they had been attending and begin a new work for God. They called this church, **Liberty FWB Church**, Lancaster, SC.

Inside the New Church

At first they met in homes of the members. Then God miraculously opened the door for them to rent the local National Guard Armory. Six months later another armory closed and this armory had to be used so they moved into an old store front building that they remodeled. Then they were able to purchase land and build their first building (Which was dedicated on Sunday, April 2, 2000).

Pastor Tim

Gloriously, this building was filled from the time it was dedicated and plans were already being made for a much needed sanctuary. On Sunday, May 18, 2003 Pastor Tim Larrimore led in the dedication of this \$700,000 sanctuary (with additional educational rooms) to the Glory of God. 366 people attended this service and it was evident that this new sanctuary was already almost too small for this growing congregation- Glory! Another example of God's mighty work among Free Will Baptists in South Carolina.

New Church with old Church (now fellowship building) to the right.

Pastor Todd

Pastor Todd Black and the congregation of **Converse FWB Church**, Spartanburg, SC are rejoicing in God's recent Blessings. The Church has grown to such an extent since his arrival until they were able to upgrade him to full time status beginning June 1st. That was immediately followed by a very successful "Family Revival" with Rev. Buddy Seay, Jr. as Evangelist.

Brother Todd believes that much of the success can be attributed to the practice they have of praying at the cross each service. A large cross with the names of lost loved ones is brought to the altar each service and the men of the Church gather around and pray for God to redeem these souls from the captivity of sin. God has honored this effort with a large number of people being saved so far this year.

Una FFWB Church, Spartanburg is happy to report that the gifts and prayers of SCFWB have enabled them to complete their new building and move into the beautiful new facilities. There are still several items that need to be taken care of but it was a joy for the State Executive Secretary to get to preach in this new facility recently. It is a shining testimony in this area about the love and concern of Free Will Baptists.

Pastor Ken Cash welcomes people to the new Sanctuary

Inside Una's new Sanctuary

In addition to the beautiful new Sanctuary (That is large enough to place the entire old church building inside!), the facility also has several class room, rest rooms, and office space. Pastor Ken Cash now looks forward to the day this new church is just as full as the old church used to be.

Pastor Cyrus Shoffner

Faith Free Will Baptist Church, Darlington, SC celebrated their 30th Anniversary/Home Coming on Sunday, May 4th. A special musical concert by "Mercy River" replaced the Sunday School hour; and stirred the hearts of the congregation. The Morning Message was delivered by State Executive Secretary, Rev. Mike Jones, before everyone adjourned to the fellowship building for a delicious FWB meal.

Mercy River

Mrs Annie Mae Warren Davis, widow of the late Rev Mitchell Davis went to be with the Lord on Monday, April 14, 2003. She was a "preacher's wife", a homemaker, a member of Liberty FFWB Church, Lancaster, and will be missed.

334,500 pennies!!! That was the offering given during Vacation Bible School at **Fairview FFWB Church**, Spartanburg. People in the classes were divided into two groups- Love and Joy- and points were awarded for visitors brought, Bibles brought, lessons studies, and the weight of the offering- so everyone brought their offering in pennies! It made for a very exciting VBS; and was a big help to the building fund. Rev. Tim Hackett is the pastor of this growing Church.

PREPARING FOR DEATH: Death many times comes very sudden. Not only does it leave an empty place in the heart of those who love you but it also presents them with many questions that must be answered very quickly. Fill out this list, update it each year, and put it some where your loved ones will know about.

- 1) Are your Sins forgiven and placed under the atoning blood of Christ?
 - 2) Who do you want to preach your funeral? Where do you want the funeral service held?
 - 3) What songs do you want sung at your funeral? Where do you want to be buried?
 - 4) Where are the Pass words for your internet, bank, and other accounts kept.
- Where are life insurance, wills, and other papers that may be needed quickly in the event of your death kept?

MISSION MESSAGES

BRAZIL MISSIONS REPORTS:

Aycocks: Looking for a VBS Project. Missionary to Brazil, David Aycock, is looking to begin a new church on the West Side of Barbacena. He needs to purchase 4 lots at \$6,000 per lot. Any money for this project should be designated to the Brazil Westside project and sent to the SCFWB State Office, P O Box 13266, Florence, SC 29504).

Pooles: The Marincek FWB Church in Ribeirao Preto will be having evangelistic meetings each weekend in June. We plan special services each Saturday night, Sunday morning, and Sunday night. Through what we call "Project Andrew" we are encouraging our people to follow Andrew's Example of bringing people to Christ by inviting family, friends, neighbors, fellow workers, and fellow students to attend these special services. The speakers will be 2 FWB national pastors, 2 FWB missionaries, and 5 students from the FWB Seminary of the Brazilian Association of FWB Churches. The Seminary also will present special drama presentations each night. The Children will lead the services the first weekend, the youth the second weekend, the ladies the third weekend, and the men the fourth weekend. The first weekend in July is the anniversary of the Church so we plan special services for that week end also with dinner on the ground.

Please pray for these meetings. Three of the young men will be preaching their first sermon. God blessed us this past weekend with three young men coming forward to get their lives right with the Lord. Our prayer is that the Lord will do great things this month for His glory.

Please continue to pray about our deficient account. Bobby and Geneva.

Moore: The Lord has been blessing the ministry in Uberlandia. In the first five months of this year there have been five first-time salvation decisions. We praise the Lord for His working in the hearts of people to draw the lost to Himself. One of the recent converts is an elderly man named Otavio. He is 80 years old and, due to health problems, both of his legs have been amputated. Otavio's two sons have attended the church for many years and have faithfully prayed for his conversion and they, along with the church, rejoice in his salvation.

Other encouraging signs of growth this year include an average of 15-20 teenagers in the Saturday night youth meeting. Sunday night attendance for the past two Sundays has been 140. Offerings have steadily increased and we have visitors just about every Sunday night.

Please continue to pray for the church here and for God to use us to reach more souls for Christ in Brazil. Andrea, Andea, Levi.

Marincek FWB Church Youth sing about the Lord.

Hispanic Ministry Report. June 1, 2003. Our hearts were saddened because two families that had been attending our church left to go back to Puerto Rico and Mexico but we are rejoicing in God's continued blessings. We had 51 in attendance today with a good Spirit. This week (June 4th) we celebrate our first year in this country. Sometimes we miss our friends, family, and church but God supports us all the time and He has given us a special family here- The family of God. We are grateful for the many brothers and sisters in South Carolina who love us, pray for us, and support our ministry.

It is difficult sometimes in a strange country with a different language but we believe this work is very important because the people we reach do not know about Jesus or the good news of Salvation. Please continue to remember us in your prayers and support.

Thank you and God bless you so much. Gerardo, Maria, Lucas, and Franco.

The new **dorm parents** in the Girl's Dorm at the SCFWB Home for Children are Steve and Donna Effler. This is a little about who they are, written by Donna.

We grew up together in the same small town of Old Fort, NC. We were married at Old Fort FWB Church 29 years ago. We have 3 children, Jennifer, Jeremy and Mary. Our older children are married and we have 5 grandchildren and a new one on the way. Our youngest daughter Mary will be a sophomore at the FWB Bible College in Nashville, TN. this fall.

Steve and I moved to Newport News, VA and were members of Faith FWB Church in Carrollton, VA since 1988. I taught the primary Sunday school class and children's church. My husband sings special music and drove the church van. We are now the proud parents of six new daughters at the FWB Home for Children. Our girls range in age from 11 to 17. We are excited about our new life here in Turbeville.

PASTOR POINTERS:

"He who aims at nothing normally hits it!". Pastors needs weekly goals if they plan to accomplish much for the Lord.

Crisis and Circumstances will become the masters of your time and energy if you do not have a plan of action to act as a reference point. And if you don't work during the week you will face each Saturday night with a search for a sermon outline you can plug into the gap knowing that Sunday Morning will bring the same crowd for a congregation you always have because there is no real reason for visitors and new people to choose to attend your church.

Here are some goals you need to put in your weekly "to do" list.

Daily Devotional Time- Feed your soul from God's word and the works of other men of God. Your people will not catch fire from you if your heart is cold and barren.

Daily Prayer Time- Have a Prayer List for needs and a Praise list for answers. Use a Member list and a Mission list to pray for people and situations. If you do not work at prayer you will end up with a powerless Message and Ministry.

Daily Study Time- Study to show yourself approved unto God. A workman that needs not to be ashamed; rightly dividing the word of Truth. Devotions feed you. Study finds bread to feed the multitudes of hungry hearts you face.

Visitation Goals- Visit Members this week. Knock on New Doors this week. There will be few visitors on Sunday if there is little visiting during the week.

Witnessing Opportunities- You can't always plan your soul winning opportunities but if you don't plan to witness you will find yourself going week after week without sharing the gospel except in sermons. If you are soul conscious then you will find opportunities to share Jesus.

The **Christian Law Association** is a "ministry of legal helps." Its purpose is to provide legal assistance to Bible-believing churches and Christians who are experiencing legal difficulty in practicing their religious faith because of governmental regulation, intrusion, or prohibition of one form or another. CLA will only represent churches which are clear on the doctrine of Jesus Christ as the only way of salvation, and which are clear on the Bible as the only Divinely-inspired, infallible, and complete Word of God by which all areas of faith and life practice are to be controlled.

CLA is funded wholly by concerned Christians and churches who wish to support the fight for religious liberty in the United States, and who also have a desire to make it possible for CLA to provide cost-free legal assistance to Bible-believing churches and Christians who are being sued, or threatened with suit, for the Biblical faith.

Since 1978 when the Christian Law Association began operations, the demand for assistance has exploded. CLA received in excess of 69,000 phone calls in 2000, not counting the thousands of pieces of correspondence from those who are in some way facing legal difficulties for doing what the Bible commands. These cases involve Christians arrested for witnessing to others, students being told they do not have the right to read their Bibles in public schools, churches being told they cannot exist in certain zoning areas, etc.

Due to the financial support of concerned Christians, CLA is able to provide legal representation at no cost to thousands of pastors and believers who have been sued, arrested, or jailed for the Biblical faith. CLA legal missionary attorneys and support staff do not bill for their time or their expenses, regardless of whether the person or ministry seeking our assistance financially supports CLA. In fact, the vast majority of those assisted never send any financial support to the ministry, yet CLA counts it an honor to serve them in their time of need.

Please pray for the ministry and staff of the Christian Law Association, as well as for those who are under attack for their faith. Your prayers help more than you realize. If the ministry of the Christian Law Association can legally serve you in any way, it would certainly be our honor and delight to do so.

CLA serves through the following ways:

- Free legal defense of those facing difficulties for the Biblical faith
- Free legal counsel to churches and Christians for their ministries
- Legal seminars for ministries to help prevent lawsuits
- The Legal Alert* radio program broadcast on over 760 stations around the world
- Legal books and other resources to inform Christians of their rights
- Preaching in churches across the country
- Publication of a monthly newsletter, *The Legal Alert*
- Free legal consulting to local, state, and federal officials and legislators to provide maximum religious liberty
- Intercessory prayer ministry for requests sent to the ministry offices
