

SC FWB 2013 State Meeting

The South Carolina Free Will Baptist State Association Convened for its annual meeting on February 21-22, 2013, and was hosted by the South Carolina Conference at Lebanon Free Will Baptist Church in Effingham. The theme for this year's meeting was "Faithful to the Call" (1 Thessalonians 5:24). Reverend Allan Austin, the pastor at Beulah Free Will Baptist Church, shared the Thursday morning devotion. After the General Board report was received, the body accepted the recommendation from the Nominating Committee to elect Reverend Wayne Snipes, the pastor at First Free Will Baptist Church in Myrtle Beach, to a Member-at-Large position on the Executive Committee. Reports were heard and accepted by various state and national representatives. During the Free Will Baptist Home for Children report, the State Association voted to sell up to four acres of land (\$10,000.00 per acre) to the Clarendon County School District Three in Turbeville for the development of tennis courts and parking areas. Included in the motion was the fact that the Children's Home would have access to the facilities and that if the School District ceases to use the property, it would be offered back to the Children's Home for a price of \$5. The Children's Home Board is also looking into the possibility of harvesting the trees on the property for potential income for the Children's Home. The body also voted to accept the Nominating Committee's recommendation of Dr. Naomi Player serving as a Member-at-Large on the Children's Home Board. Reverend Tim Hackett, the pastor at Fairview Free Will Baptist Church, was presented with a plaque and love gift in appreciation for serving 16 years on the Children's Home Board. During the Thursday morning worship service, Reverend Scott Ard preached a message from Philippians 2.

Land "Laid in the Lap"

Five years ago, the 5.15 acres and house adjacent to Turning Point Free Will Baptist Church in Spartanburg was listed for sale at \$250,000.00. The property was obtained by investors who were ready to sell the property in 2012. A recent listing showed the property valued at \$159,000.00. When the church and Pastor Todd Black were approached about buying the property, they indicated they were not willing to purchase the property unless they could get it for less than \$80,000.00. A negotiator who we will call Mr. Bill counter offered at \$87,500.00. However, Pastor Todd Black and the church had praved and believed that \$70,000.00 was the figure they should offer for the purchase of the land and house. One particular day while Pastor Todd Black was at the church, he saw Mr. Bill at the house adjacent to the church, and Mr. Bill began to show him all the new improvements such as paint, electrical, and pluming that had been made to the house. Mr. Bill countered an offer of \$75,000.00 and asked Pastor Todd Black to pray about this offer. With the land and house being listed for \$159,000.00, it would have to be a sheer miracle for Turning Point Church to get it for \$70,000.00. However, Pastor Todd Black had prayed and asked the Lord if He wanted them to have the land and house, to just lay it in their laps, and they would pursue it. Pastor Todd Black indicated to Mr. Bill that if he were to pray about it more that God just might say \$60,000.00. Twenty minutes later, Mr. Bill accepted the offer of \$70,000.00. God had practically "laid it in their lap," but now they had to get approved for a loan to purchase the land and house. A bank indicated that they needed to put \$14,000.00 down to borrow the needed money. When presented to the church, members gladly gave \$18,000.00 above and beyond their tithes to pay down on the property. The banker also inquired about the possibility of getting the church's existing larger loan. Pastor Todd Black indicated to the banker, "Save us 1% and knock two years off the existing loan, and we will consider." It was asking a lot, but it would save the church \$125,000.00 over the full term of the loan. The bank accepted the offer and took over the existing larger church loan and also provided the loan for the property adjacent to the church. Pastor Todd Black indicated, "The Lord allowed investors to purchase 5.15 acres of land with a house and high price. He allowed them to clear off the wooded area and obtain a tamed lawn. He allowed them to make improvements of new electrical and plumbing throughout the house with a new septic system and new paint job. Then God allowed them to turn around and sale the property to Turning Point Church for \$70,000.00. Then God allowed a bank to take over their existing larger church loan paying in full the new property acquisition from the money saved, with several thousand dollars to spare. THAT'S MY GOD!" Pastor Todd Black also indicated that they would be doing more work on the house to develop it into a ministry center to house visiting evangelist and missionaries. They will also use the house for needed space for their "Bible Buddies Ministry," a possible church library, and food closet. Turning Point Free Will Baptist Church now has a 12 acre campus. Pastor Todd Black concluded, "God wanted it, He got it, and it will surely be used for His GLORY in the future!"
