**Report WAC**, Sister Pam Hackett. WNAC has an annual membership fee of \$15.00 allowing each member to be part of an international network of women

striving for the same purpose and goals. Together we can accomplish much more than if we work separately. The current dues of \$15 were set in 2005. We do receive co-op funds but that does not underwrite the financial obligations of the office. Listed below are the major functions of the WNAC office.

- Maintain the Steward Provision Closet for our missionaries to shop free of charge for home/school supplies
- Promote WNAC
  - Locally: emphasis cards, ads in denominational publications, visiting state meetings/retreats, etc.
  - Internationally: Bible Institutes, partnerships, women’s retreats, etc.
  - Maintain a social media presence: Facebook; Twitter; Pinterest; E-blasts
  - Maintain our website ([www.wnac.org](http://www.wnac.org))
- Coordinate/administer all national meetings
- Provide support system for local, district, and state WAC groups
- Publish Treasure quarterly, a Bible study guide for women
  - Assume all costs not covered by the subscription price set in 2005 (\$12/year or \$11/year for 5 for more to one address).
  - Design, publish, and promote Bible studies for use in WAC meetings and on individual basis.
- Promote special weeks of prayer
  - Pre-Easter before World Missions Offering (International Missions) in April
  - Pre-Thanksgiving before North American Missions Offering in November.
- Receipt all monies given to missions or designated projects and disburse funds according to each WAC’s instructions.
- Administer funds and provide student scholarships for students

Clerk read the following two letters submitted to SCFWB Association

**Letter from Bro. Stanley Rajkumar**

Dear Moderator, SCFWB Association Board members, pastors, and church folks. Greetings to you all in the matchless name of our Lord and Saviour Jesus Christ the name that is high above all other names.

It gives me immense pleasure and great joy in sending these words of greetings to the state meeting. I just can't believe that it is already a year that I had visited you in 2016. What a time of great blessing it was to be with you and to have fellowship. My visit to the United States would not have happened without SCFWB Association and the Hanna Family. I am very much grateful to each one of you. I had great memories to bring back home and share with our churches in South India. They are still very sweet for me. I was very much taken back by the love that you people have towards the great work of our beloved uncle Rev. Carlisle Hanna. We would not have many churches in North and South India were it not for the missionary work of the Hanna's and the prayerful and financial support of the SCFWB Association. Though I am unable to remember the names of each and every one I met I am able to recognize the faces and the place I met you when I keep seeing the photos. These will be the most precious moments I will cherish all through my life. I don't know if ever I will be able to make a trip again to the United States but I will forever have you all in my prayers. I never ever felt that I was away from home. Please do continue to pray for the work here in South India. At present, some of our churches have been facing stiff opposition. Just before Christmas one of our church roofs were pulled down by some Hindu radicals. But in spite of all these we have been able to run the race that the Lord has kept for us. The construction works in Mettupalayam and Karamadai is on schedule and hope to be completed in a month or two. Thank you very much for all that you have done to keep the Lord's kingdom expanded day by day. We love you all and assure you of our earnest prayers. Looking forward to meeting you all once again if at all I get to visit you again in the United States. If not, then surely, we will meet in Heaven above. With much love and prayers, Stanley Rajkumar, South India.

**Letter submitted by the Palmetto Conference**

To: The South Carolina State Association of Free Will Baptists

Attention: Executive Board

On Saturday, May 21, 2016, the Palmetto Conference had its annual meeting and at that time we voted to dissolve the Conference at this State Meeting in February 2017. We voted to pay our dues so that we may be seated in good standing at the State Meeting and also for our Churches and Pastors to be seen in good standing so that they may approach other Conferences for membership.

The Palmetto Conference and its ministers have been members of and in good standing with the State Association since May of 1970. Due to the decline of churches and ministers joining our conference we felt that our churches and ministers could have more fellowship and do more support in other conferences.

With a heavy heart, we dissolve the Palmetto Conference at the end of this state meeting. We ask that this be recorded in our executive office so that other conferences may know that our churches and ministers were in good standing.

In Christ, Rev. Daggett Duncan, New Vision FWB, Rock Hill. Rev. Wayne Smith, New Harvest FWB, Tradesville. Rev. Chuck Thornton, Peace FWB, Spartanburg. Rev. Henry King, Brightlight FWB, Thomasville.

The church now has 32 members and is averaging 40 – 50 on Sunday attendance. The church now has a mobile home for the pastor and his family to live in. Move to receive report. MSC

**Report, Hispanic Ministry,** Fernando Bustamente. It's time to move forward in the Lord's work. Bro. Bustamente shared about the number of pastors who are working in SC & from SC. **Report, Friends of India,** Mike Jones. Thanks to all who have contributed to the work in India. The India work has a goal of building 2 churches each year. The church planters are being supported to enable them to try and win 2 souls daily to the Lord. Widows of Christian workers and boys are supported annually. Bro. Hanna thanked the SC churches for the offering from 2016 that was used to build a new FWB church in India. The church is built and filled. Please keep all our churches and properties in prayer. Travel Visa issues continue to be a problem. A missionary visa was no longer allowed, an employment visa is now needed. There are also monetary issues for India and the Indian currency. Annual conference is just a few weeks away. With the current financial issues, the conference is facing many issues with the need to be able to help those who come to the conference. We're still going and preaching the gospel in India. We have been sent to India to make Christ known. Jeremiah 32:27, "Behold, I am the LORD, the God of all flesh: is there any thing too hard for me?" Jeremiah 33:3 "Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not." We will continue to trust God in all our work in India. All we know that can be done now is to pray, we have to pray. Motion made to receive the Friends of India report. MSC. **Report, Keith Burden,** NAFWB Executive Office. Please take advantage of the FWB magazine, "ONE." Also available online. A DVD has been developed to help churches put together a security plan for their churches. A revitalization program is being developed for churches that are struggling. The NAFWB convention is in July in Louisville, Ky. Thanks for the financial support to the National office. There was a decline in 2015 in the Together plan, but there has been a gain during 2016. FWB still holds to the doctrine that we have believed, we are not changing. Our directive is still to "GO" into all the world. Received as information.

**Report, Todd Smith,** FWB Foundation. Provided information regarding Financial Management, Planned Giving, & Estate Planning. The Foundation is available and would like to come to our FWB churches to present their program. Information can be found online through the national website or a link is available on [www.scfwb.org](http://www.scfwb.org). Christians are encouraged to consider "planned giving" and "planned gifts" through the Foundation. Christians are also encouraged to consider the Lord's work in the end of life planning through the Estate Planning program. The opportunity is available to give sacrificially to the Lord now and also after we go home to be with the Lord.

**Report, NAFWB North American Ministries,** David Crowe is represented by Rick Bowling. The financial report was given with the following details. Final 2016 financial numbers, the church extension loan fund had record gifts and loans. The North American Missions offering was \$736,739 for 2016. This shatters the previous record by almost \$300,000. This was the greatest year financially and we ended the year in the black. The Porto Rico church went self-supporting in Jan. 2017.

**Report, International Missions,** Sam McVay. Thanks for more than \$465,000 given to international missions for 2016. The board voted in 2015 to move back to designated giving as the method used to provide funds for our missionaries. The giving for 2016 is up from 2015. The general fund had enough funds available to erase all accounts that was in the red. Please support our World Mission Offering that is on April 30, 2017. Videos are available on the website providing information on our world missions. The Hanna project is providing medical and construction needs at our various world mission's locations.

**Report for Welch College,** a video was shared about our students at Welch College, Mike Edwards brings greetings to our association. Thanks for your support to our college. Please give to the scholarship funds for the college. Students will move to their new home on March 4 in Gallatin, Tn. Dr. Jeff Cockrell provided some details on the new Welch College Master's Program. There are some scholarships available for FWB pastors. The program involves online work and a one-week intensive program. Received as information.

**Report, David Womac,** Randall House. The report of 2015 showed severe losses. The audit for 2016 shows that we will close in the black. This is a great turn-around. Our obstacles are declining churches, lessening discipleship and other issues that Christian publishing is facing. We are praying that families will take an active role on family discipleship and Randall House has material available to assist in this most important need. Parents must take an active role. Strong families make strong and active churches.

**Report, Mike Jones** showed pics of New Life FWB Church that was built from donated funds at the 2016 meeting.

**Report, Free Will Baptist Family Ministries** of Greenville, Tn., Bro. Robert Travis. The ministries had 155 salvation decisions, 89 baptisms, and 6 rededications during 2016. The Hope Center had 102 babies born and 269 families receiving help through the Hope Center. The drug & alcohol abuse center had 64 young boys graduate. The

assisted living for the elderly are finding assistance through the Family Ministries. The ministry has also started an in-home help program for handicapped individuals. There are 162 kids in the program through Arkansas and 183 kids through the program in Tennessee. There are 107 kids in the foster care program.

**Final credentials** committee report given by Bro. Scott Ard. We have 6 conferences represented, 106 churches, received \$24,910 in fees/dues, 72 ministers, 15 delegates, 6 national reps, 4 missionaries, and 28 visitors with a total attendance of 125. Motion made to receive final credentials report. MSC

**Report received from the Resolutions Committee** is as follows: 1. Whereas there is clear scriptural teaching that we as ministers are to preach the Word, and whereas we have been adequately and appropriately challenged and reminded at this state meeting that we are to preach Christ and Him crucified, be it resolved that we recommit ourselves to the biblical mandate to preach the whole council of God, and to proclaim the absolute truth that there is none other name under Heaven given among men, whereby we must be saved. 2. Whereas we hold firm to the belief that God is still today calling young men into the Gospel ministry, and whereas there is a clear and present need for pastors within our state and denomination, be it resolved that we pray that FWB young men will surrender to God's call to local church ministry, and be it further resolved that they who have answered this call will make every effort to encourage, support, and mentor these young men so that they may remain faithful to Christian teachings and to FWB doctrine. 3. Whereas Pastor Donnie Miles and the Peace FWB Church have generously and graciously hosted this the 2017 State Meeting through the use of their facilities, provision of food, and their general kindness, be it resolved that we give them a rising vote of thanks for their demonstration of Christian hospitality. Respectfully submitted, Joey Postlewaite (Chairman), John Cody, John Matthews, Chris Johnson, Jeremy Overstreet. Motion to accept. MSC. (Thanks given for the Peace FWB ladies and workers for the state meeting.)

Song, "This Blood" sung by Savannah Rabon. Message, Bro. Ray Cribb, John 3:11; Luke 4:18, "**The Preaching of Christ.**" (State Meeting Adjourned).

#### **SCFWB Disaster Relief Board**

The SC FWB Disaster Relief Board conducted the first meeting on Tuesday, June 21, 2016 in Columbia, SC. At that time the mission and vision of the ministry was determined. The scope of the SCDRT was discussed at length and was determined to include the following: Generator ministry, Blessing Buckets (cleaning supplies), Food prep and delivery, Clean up services in aftermath of disasters, Much out of homes damaged by floods, Repair to homes and property. In preparation for being able to respond to natural disasters, the SCDRT felt there was a need for an enclosed trailer to hold all supplies needed in emergency response situations. The National FWB Master's Men generously donated a 16' enclosed trailer to the SCDRT IN August, 2016. Another area where the SCDRT felt there was a need was to recruit volunteers to help in disaster situations. A state men's retreat was planned for October 2016. The SCDRT held a conference call in mid-October concerning the men's retreat and it was determined at that time to postpone the retreat due to the major impact that Hurricane Mathew had on the state of SC. The SCDRT used the scheduled men's retreat date to deploy teams across the hurricane damaged areas. There were four teams deployed to help with various projects. The projects included: 1. Removal of large trees from a family's home in Nichols. 2. Clean out and muck out three homes in the Hemingway area. 3. Sheetrock and debris removal of Piney Grove Church. 4. Delivery of generators and chainsaws to various needed areas.

The SCDRT held its second meeting on January 24 at the State Office in Turbeville, SC. At the meeting there were multiple decisions made concerning distribution of funds that were dedicated to the Nichols area. The designated funds for the Nichols area totaled \$6,000. The men's retreat has been rescheduled for Saturday, April 29<sup>th</sup> in Turbeville, SC. The cost to attend will be \$15 and will include preaching, lunch, education of basic first aid, chainsaw safety and roofing. All men of the state are invited and encouraged to attend. The SCDRT has been active now for approximately 8 months and has already had a great impact on the families and churches that were impacted by Hurricane Matthew. Thank you for your continued support of this ministry as it grows. Prayerfully, South Carolina Disaster Relief Board.

From Missionary Carlisle Hanna: "We want to express our thanks to all of you who have, so faithfully, supported the ministry of Friends of India with your prayers and finances. Our Lord continues to build His Church. There is cause for rejoicing as I meet and speak with our pastors and evangelists on the Mission Compound or at our churches. We have permanent church building from the north end of our field to the south end. That is about two hundred miles and the width is from the Nepal border to the Bangladesh border. After preaching the Gospel here for so many years, there are still so many who have never heard the name of JESUS. Please, all of you, pray that each believer shall be faithful in lifting up His name in these last days before our Lord calls us HOME.

Thanks for your continued prayers for my visa. He is able to see that it will be granted. We are doing what we can to get this granted."

God is doing a great work in India and we appreciate your prayers and support. Rev. Mike Jones, Secretary-Treasurer

### South Carolina Free Will Baptist Youth Ministries Report for 2016

Our SCFWB summer camps for 2016 was a great success. Both summer camps were held again at Camp Pee Dee in Marion, S.C. We used the same Theme for both camps which was "HEROES!". The Theme verse was Ephesians 6:10 "Finally my brethren be Strong in the Lord and in the Power of his might".

The Teen camp was held the 2nd week of July 2016, with Brother Tommy Swindoll as Preacher for our Teen Camp. He did an outstanding job with our teens. He shared great messages from God's word that inspired and challenged our youth. There were 2 salvation decisions and 12 rededications during the week, with many on the altar after each service praying. We had a good turnout for Teen camp with 76 campers! We thank the Lord and the churches for sending teens for a great week of fellowship with one another and with the Lord. They enjoyed going bowling and skating during the week, as well as enjoying swimming, water slide, games, and a whole lot of fun! Also enjoyed home cooked meals everyday in the cafeteria. The music was providing by Brother Chris Edwards group from Lebanon FWB Church, with Brother Brad Oliver leading the worship. We thank the Lord for a great week of teen camp and the way the Lord worked in our teens hearts and lives.

The Junior week was held the last week of July 2016, with Brother Steve Greenwood as Preacher for our Junior Camp. He also did great with our juniors and shared messages to engage them into God's word. There were 5 salvation decisions and 14 rededications during the week, and there was many on altar praying throughout the week. The juniors enjoyed craft classes, music classes, games, canteen times, as well as the swimming, water slide, and lots of fun meeting and making new friends. Again, the home cooked meals are always enjoyed!

We thank the Lord for his blessings and his increase on our summer camps and in the lives of all our young people. We also thank everybody for all the help and prayers throughout the year, we could not do what we do without them. There is a lot of time and hard work put into this ministry every year. We are very thankful for the churches that send their youth to our FWB summer camps. Whether you send a dozen or only one camper, every one of them makes our camps better. They are all wanted and needed at camp, so please continue to pray, and send your youth and helpers. We need them to continue to grow and keep this

ministry going forward. Camp is a special place that the Lord can really work in a young person's life to draw them closer to him and his will for their life at a young age. They have fun, make new friends, and experience God for a whole week, and it will impact their lives forever! So help us help them as we serve in this youth ministry. Remember they are our youth and our children, and we need to invest in our youth in South Carolina, providing with everything they need to grow in the Lord, ...at home, ...at church, ...and at Camp! Information for upcoming youth camps can be found on the state website.

In Christ,  
 On behalf of our board members,  
 Rev. Teddy Rabon, Camp Director

The South Carolina Women Active for Christ state meeting was held at Westside FWB Church in Johnsonville, SC. The meeting was moderated by Vice President Katie Postlewaite in the absence of President Pam Hackett.
