The YET Team performed at Horse Branch Free Will Baptist Church, Turbeville, SC on Thursday night, June 17. In addition to the Horse Branch folks about eight other churches in the area attended with their young people and adults. The theme of the program, "Take A Stand", was conveyed through their drama and singing in a very powerful and impressive manner. The group is to be commended for the quality of their performance, their personal appearance and their Christ-like mannerism. Of course the folks at Horse Branch were proud of their own Monte McKenzie; and rightly so, he is a very fine Christian young man. **CONGRATULATIONS MONTE!**

College President, Dr. Tom Malone, recently returned from a trip to California and he brought back more than good will. He brought 720 rose plants.

Judy Lauderdale, daughter of Rev. Dean Long, pastor of Shafter FWB Church, works for the Bear Creek Nursery. She had planned to send about 40 rose plants. The Bear Creek Nursery raised it to 400 plants. A short time after that they received word that the company had increased the number to 720 rose plants in a variety of colors-red, pink, lavender, orange, white and yellow.

Since their arrival the college personnel has been busy planting the rose bushes over the campus. When in bloom they will add beauty to the college campus.

***Herman Hersey
Retirement Board
Director Retiring***

Herman Hersey, founder and director of the Free Will Baptist Retirement and Insurance Department, will retire as of August 1. He will continue a preaching schedule, piano concerts, seminars and voluntary development of a stewardship program for our National Association. It sounds like he will be

retreaded for more mileage than retirement.

He developed the retirement program while pastoring in Garner, NC and in the early years he directed the ministry out of his parsonage home on a part-time basis. He later moved the department to Nashville, Tennessee in a full-time roll. He has faithfully served in this ministry for more than 25 years.

Possibly you would like to send this faithful servant a letter or card to express your gratitude for his service. You may want to include a financial gift for his retirement. If so, please send it to the Board of Retirement, c/o Ray Lewis, PO Box 5002, Antioch, TN 37011-5002. Please note your gift for "Hersey Retirement Gift".

***In Memory Of
Raymond H. Kirby***

Raymond H. Kirby, a native of the Vause Town Community of Florence County, SC went to be with the Lord on Thursday, April 29, 1993, at age 71.

Funeral Services were held at 2-PM on Sunday, May 2, 1993 at his home church, Bethany Free Will Baptist, in the Vause Town Community of Timmonsville. Officiating were his pastor, Doctor Rick Cason, A former pastor, Elro Driggers and Rev. James Allard Pierce. Interment was held in Bethany Cemetery directed by Floyd Funeral Home of Olanta, SC.

He is survived by his wife, the former Magdalene Tedder, a native of Timmonsville, SC; one daughter, Mrs. Debra K. Sims; one son, Gerald Kirby, both of Timmonsville, SC and 5 grandchildren. He is also survived by 5 brothers and two sisters. One brother, Randall Kirby, was his twin. They were very close, having homes near one another and farming together for the greater part of their life.

He was a graduate of Sardis High School and received the "Efficiency Pin Award". Before his marriage he was employed by the Merita Bakery of Florence. For the greater part of his life he was a farmer, from which he retired.

Brother Kirby was saved at age 17 in 1939. He was a Christian for 54 years and he served the Lord faithfully this period of time as a member of Bethany Free Will Baptist Church. He served about 42 years as Sunday School teacher for the College and Career Class, as an usher for a long period of time, as a member of the pulpit committee on a number of occasions, and for the last 10 years he served as a church trustee. Faithful is an excellent word to describe his relationship to the Lord and his church. In the early 1970's a storm blanketed this area with

snow, making it impossible to travel by car and in some cases by foot. He had a perfect Sunday School attendance record and did not want to break it. To prevent it he drove his tractor to the church on Sunday and had Sunday School alone. His perfect attendance was for 20 years, 1971-1991. He was supportive of Free Will Baptist ministries, but was especially fond of Free Will Baptist Bible College.

He was a dear friend of this editor and I enjoyed every minute of his fellowship. It is always a joy to be in the presence of someone as jolly and friendly as he was.

In the death of Christians we should consider three things. 1. God's view. 2. The deceased view. 3. The view of family and friends of the deceased. Psalms 116:15 says, "Precious in the sight of the Lord is the death of his saints". This verse reveals Gods view. It is a precious thing to Him in that He has called His purchased possession to Himself. Rev. 14:13 says, "Blessed (happy) are the dead that die in the Lord". This reveals the deceased view; he is happy in the presence of the Lord. Even though the family and friends of the deceased suffer grief, which is normal in the separation of a loved one, we find comfort in that the separation is for a short time. Christians have the promise of God that we shall be with our saved loved ones one day. It is "good night" to them now, but it will soon be "good morning".

***A Memorial To
Janet Seay Elders***

Janet Elders, a native of Woodruff, SC went to be with the Lord on Sunday, March 21, 1993, at age 49.

Funeral services were held on Tuesday afternoon, March 23, at her church, Laurens Free will Baptist. Officiating was Rev. Bobby Bowers, a close friend of the Elders and pastor of First Free will Baptist Church, Greenville, SC. Internment was in Westview Memorial Park in Laurens, conducted by Kennedy Mortuary.

She is survived by her husband, Rcv. Jack Elders, pastor of Laurens FWB Church; four daughters, Mrs. Jackie E. Williams and Mrs. Janice Marie E. Weston, both of Enoree, SC; Patricia Lynn Elders and Debra Elders of the home; One son, Steven Elders of Laurens and six grandchildren.

Sister Janet was saved at the early age of 10. She was a faithful pastor's wife and a devoted mother. Being a graduate of the Beaver Creek Bible Institute enabled her to serve the Lord faithfully and more effectively with her husband in the ministry. Brother Jack established two churches, Calvary FWB

ELDERS - CONTINUED FROM PAGE 4
Church, Union, SC and Laurens FWB Church. He also pastored Valley Falls FWB Church, Spartanburg, SC, Mt. Carmel, York SC and Windsor Park FWB Church, Cheraw, SC. She served in these churches as pianist, choir director, rendering special singing as a soloist, as part of a duet, trio, etc.; Sunday School teacher and president of the woman's auxiliary.

Her favorite scripture passage was Philippians 4:11-13. "Not that I speak in respect of want: for I have learned, in whatsoever state I am, therewith to be content. I know both how to be abased, and I know how to abound: every where and in all things I am instructed both to be full and to be hungry, both to abound and to suffer need. I can do all things through Christ which strengtheneth me." Knowing that the last 14 years of her life she suffered great pain from rheumatoid arthritis, one can appreciate the strength and power she drew from faith in this passage.

Sister Janet was one fine Christian lady. The lovely Christian spirit which she manifested drew people to her. She had many saved and unsaved friends. This was evident as more than 800 people visited the family at the funeral home and the church building was filled to capacity for the funeral service, even though the weather was cold and raining. The testimony she left will be a continuing source of comfort for her family and friends.

WOODRUFFS NEW PROPERTY

Woodruff Makes Property Purchase

First FWB Church of Woodruff, SC closed the purchase of three lots of land containing one building on May 22, 1993. The property is adjacent to the church's present land and facilities. The church is located one and one half miles west of Woodruff on highway 101.

The building on the new property is under renovation and will be completed in August. The cost of the property and remodeling work will be about \$50,000.00. The congregation will donate the labor for the renovation work. The facility will be used for their fellowship hall, ladies meetings and a church office.

Brother Jody Wilson established the church in 1970 and has served as pastor for 23 years.

The congregation is grateful to the Lord for providing the old and the new property. The folks in the neighborhood are thankful too that the property is occupied by the church. The building on the first property the church purchased housed a pool hall where intoxicating beverages were served and the building on the new property housed a cafe that sold intoxicating beverages. They are glad that these sinful influences are removed. The Lord can take sinful people and cleanse them with the blood of Jesus Christ and make them saints. He can also take buildings of sinful activities, renovate them and use them for His glory. Amen!

Lebanon -Effingham Gives Over \$6,000 For India Buildings

When Carlisle and Marie Hanna, our missionaries to India, were home for a brief period in 1992, Carlisle expressed a need of \$35,000 to build a number of buildings and to purchase motorcycles for the preachers to have transportation to the churches.

Lebanon Free Will Baptist Church, Effingham, SC was one of the first to take on a project to help meet this need. Their initial gift was \$5,500. Since that time they have given more, which brings the total to \$6,400.

On Sunday morning, June 20, 1993 on behalf of Carlisle, Marie and the Indian Christians the Promotional Director, Norwood Gibson, presented the pastor, Reedy Saverance and the church with a plaque. It expressed their gratitude for their generosity.

Volunteer Work At Children's Home

Volunteer workers from Mt. Carmel FWB Church and Gloryland FWB Mission Church, York, SC make needed improvements at Free Will Baptist Children's Home.

They constructed an enclosed hallway from the boys dorm and one from the girls dorm to their recreation buildings. The interior ceilings and walls are insulated with a covered finish.

The children can now go to the recreation building without going outside in the cold, hot or rainy weather. Since there will be no doors opened now for cold or hot air to come in or escape it will cut the home's heating and cooling cost.

The volunteer workers made two trips from York to complete the project. Two of the workers came from Gloryland FWB Church. The pastor, Phil Lemons and his son, Ricky. Thirteen came from Mt. Carmel; Guy Lemons, Milton Cash, Kim Robinette, Jeff Bolt, Gary Laughridge, Paul Sexton, John Cody (pastor), Charles Hayes, Rick Campbell, Richie Osbourne, Elenor Robinette, Toni Lemons and Debra Hayes. The ladies helped with installing the insulation and the clean-up work.

On behalf of the Children's Home, The Informer extends a GREAT BIG THANK YOU to each of these fine folks for their contribution to this project.

Mt Ariel Gives \$5,000 For India Building

Mt. Ariel Free Will Baptist Church, Conway, SC held a "Carlisle & Marie Hanna Day" on Sunday, June 13. Promotional Director, Norwood Gibson, spoke briefly and gave his slide presentation of India. This was the climax of the project "Build A Church In India". Their goal was to raise \$5,000. To reach the goal with just the people giving they agreed sometime ago to give all the Sunday night offerings to the project

After the morning service an offering was received and they were less than \$200.00 short of the goal. The church made up the difference from the church treasure.

The congregation enjoyed a delicious noon meal and fellowship together.

On behalf of Carlisle, Marie and our brothers and sister in the Lord in India a hearty thank you is extended to the folks at Mt. Ariel. A plaque of appreciation will be presented to them.

Peace Burns Mortgage

Peace FWB Church, Florence, SC held a "Mortgage Burning Ceremony" on Sunday morning, May 23, 1993. Promotional Director, Norwood Gibson was guest speaker for the occasion.

In July of 1988 Peace Church constructed an addition to the existing facilities to meet the demands for more Sunday School classrooms and a fellowship hall. The new addition consisted of 1,600 square foot fellowship hall, five classrooms and a storage room. Renovations were also done to the existing building to provide 2 classrooms, a larger nursery, a larger pastors study and a study for the assistant pastor.

A \$45,000 loan was secured to construct the facility. Some of the work was contracted and some was done by the congregation. This helped greatly to cut the building cost. When Donnie Miles became pastor he led them in a fund raising project to retire the loan,

The appraised value of the building exceeds \$90,000.00.

The church secured a \$10,000.00 loan to complete the facility and they repaid it in a short period of time. It was a time of rejoicing by the congregation as they saw the fire turn the mortgage into ashes.

The 2,080 square foot facility consist of a fully equipped kitchen with very attractive walnut finished cabinets, a large dining area, 2 rest rooms and a storage room. The ceiling has a white blown finish, inset florescent lighting and ceiling fans. The kitchen floor is covered with tile and the dining area with carpet. The interior walls have a white paint finish. The exterior walls are brick veneer with a porch at the entrance.
