1991 MINUTES  
SOUTH CAROLINA STATE ASSOCIATION  
FEBRUARY 7-8, 1991

THURSDAY MORNING-FEBRUARY 7

The Thursday morning meeting began with the hymn "When We All Get To Heaven" and prayer by Bun Hanna. The moderator brought the opening message (Appendix I).

Rev. Jimmy Bell, the host pastor, gave the welcome and Rev. Joe Cagle, the Assistant Moderator, gave the response. The delegates were seated and the program approved. The appointments for the Committee on Committees were made as follows, Rev. James Wilhide (Chairman), Rev. Terry Dennis, Rev. William Jacobs,

Rev. Mike McAuley and Rev. Johnnie Bullman. All visitors were welcomed including the National and Regional Representatives.

<Recess>

The morning worship service commenced with the congregation singing "He Keeps Me Singing", prayer by Sigbee Dilda and special music by a trio from Beaver Creek Association. Rev. Billy Jones (Central Association) brought the morning message from I Samuel 10:1-7.

THURSDAY AFTERNOON-FEBRUARY 7

The congregation sang "There's Power In The Blood" with Rev. Rick Cason leading in prayer. Rev. Ansel Smith (Great Commission Association) brought the devotion from Philippians 3:3-11.

For the business session the following Reports were given:

1. Credentials Committee (Partial Report)  
MSC (Appendix II)

2. Committee on Committees MSC (Appendix III)
3. Executive Committee MSC to receive item by item (Appendix IV) {Items 1-5 and 10 tabled until Friday and Items 6-9 approved}
4. Promotional Office Report MSC (Appendix V)
5. Retirement Home MSC (Appendix VI)
6. Home Missions MSC (Appendix VII)
7. Poston Bagget Loan Fund MSC (Appendix VIII)
8. Youth Camp MSC (Appendix IX)

#### THURSDAY EVENING-FEBRAURY 7

The evening service began with "In The Sweet By And By" and Rev. Norwood Gibson led in prayer. Special music presented by the SERVANTS TRIO. The congregational testimonies were led by Rev. Joe Cagle.

Dr. Tom Malone, President of FWBBC, preached from Genesis 32:24-29.

#### FRIDAY MORNING-FEBRUARY 8

The session opened with the hymn "Amazing Grace". Rev. Jimmy Aldridge led in prayer. Rev. Terry Dennis (Eastern Conference) brought the devotion from Joshua 3:3-5.

Further business matters were discussed with the following reports:

9. Children's Home MSC (Appendix X)
10. Stewardship Development MSC (Appendix XI)

Then a MSC was given to consider tabled items of the Executive Committee Report. The following decisions were made:

- 1) Items 1-3 MSC
- 2) MSC to amend item 4 adding "The South Carolina State Association is to meet only in South Carolina".
- 3) MSC to amend section B of item 4 inserting "near a town" instead of "in a town".
- 4) MSC to amend section A of item 4

changing the word "approved to  
"recommend"

5) MSC to accept item 4 as amended

6) MSC to accept item 5

After these decisions, Item 10 was discussed.

The morning service began with "Victory In  
Jesus". One report was given:

11. Woman's Auxiliary MSC (Appendix XII)

A trio from Beaver Creek Association  
presented special music. Rev. Kenneth Cash  
(Beaver Creek Association) brought the  
message from Romans 12:1-7. Rev. Wilburn  
Beasley dismissed in prayer.

#### FRIDAY AFTERNOON-FEBRUARY 8

The afternoon session opened with "To God  
Be The Glory" and Rev. James Raper led in  
prayer. Rev. Lamar Smith (South Carolina  
Conference) brought the devotion from Acts  
17:16. Then the following reports were  
presented:

12. Credentials Final Report MSC (Appendix  
XIII)

13. Treasurer MSC (Appendix XIV)

The National Association Departments and the  
Regional Organizations gave their reports.

Item X from the Executive Committee Report  
(Purchase of the Promotional Office Property)  
was further discussed. The following  
decisions were made:

1) MSC to amend the proposed price by  
presenting an offer between \$85,000 and  
\$97,000.

2) MSC to purchase Promotional Office  
property.

3) MSC for Executive Committee and  
Promotional Office Director to suggest fund  
raising methods.

4) MSC to not use any of the Pop Willey  
Offering for the purchase of property.

A.C. Allen (from Children's Home Board)  
made a motion to sell 51.9 acres of the  
Children's Home property to the town of

Turbeville to be used as a spray waste sight. The price would be \$1,000 per acre. A substitute motion was given (MSC) that included the following:

1) Further study to be made by the Children's

Home concerning the opposition and dangers involved.

2) The Children's Home Board is to contact the State Executive Committee, who in turn would contact the General Board to transact this item of business.

3) The findings of the Children's Home Board be sent to the Conferences/Associations' moderators so they could meet with their Executive Committees to get their feelings about this matter.

After this discussion, the following reports were given:

13. Resolutions Committee MSC (Appendix XV)  
Then a motion was made (MSC) to send Senator Ernest Hollings a copy of the letter mailed to the President to let him know that our State Association supported the President's involvement in the Middle East.

14. CTS MSC (Appendix XVI)

15. Public Morals MSC (Appendix XVII)

16. Nominating Committee MSC to accept it item by item (Appendix XVIII)

A motion was made to present a plaque to the outgoing clerk for his years of service to our State Association

APPENDIX IV

The state Executive Committee and General Board met June 5, 1989. The following items were discussed:

1. We agreed for Rev. Lamar Smith, Rev. Joe Cagle and Rev. Norwood Gibson to study the number of

churches that would be needed to form a new conference/Association for membership into the State Association. They are to report to the Executive Committee. Rev. Joe Cagle to serve as Chairman.

2. We agreed for the same committee to check into the possibility of the

State Association being hosted by conferences/associations that would have motel and restaurant facilities available. If a conference/association didn't have these facilities then that conference/Association could work something out with another conference/association. There would need to be proper seating and parking space at the host church as well.

3. We agreed to send the Digest of Reports separate from the Informer this time, due to the State being moved up, and the reports would not be ready to send at that time.

4. We also selected speakers for this State Association.

The State Executive Committee also met December 17, 1990. From the two meetings, we recommend the following.

1. We recommend that each local church be allowed to represent to the State Association with two delegates.

2. We recommend that the board mileage, and committee members allowance be changed from the present amount of 20 cents per mile, to the IRS approved mileage.

3. We recommend for a conference/association to be considered for State Association membership, it must consist of 3 or more churches, not to include missions. Since most our conference/association churches may not have a sanctuary large enough to host the State Association, near a town with adequate facilities for lodging, or maybe the sanctuary is large enough, but located too far from a hotel for attendants to drive back and forth; therefore we recommend the following:

4. We recommend that the State Association meet each year on the

appointed dates at a place (church)  
recommended by the Executive Committee,  
then  
approved by the State Association.

1) That this meeting place be in a  
church large enough to host the  
meeting.

2) That the meeting place (church) be  
near a town with  
adequate motel and restaurant facilities.

3) That the attendants of the meeting be  
responsible for their own lodging and  
dining Expenses during the State  
Association, without the host church  
preparing any meals.  
If a conference/association does not have a  
church near a town with adequate  
facilities, then,

5. We recommend that the host  
conference/association work out the  
necessary arrangements with a sister  
conference/association, for the use of a  
church to host the meeting.

And that the host conference/association  
pay whatever expense necessary to the host  
church, it has arranged with, to  
hold the meeting.

The Executive Committee and General Board met  
the day before the state (Feb.6) and  
recommended the following:

6. We recommend that the State Treasurer  
pay the 1989 retirement for the  
Promotional Director, that he hasn't  
received, in the amount of \$545.00.

7. We recommend that the Promotional  
Director's raise from last year,  
be divided, with half going for  
housing and half going as salary.

8. We recommend that the State Association invite the National Association to meet in our state of South Carolina. This would be about 12 years ahead or in the year 2004.

9. We recommend that in the Executive Committee Report, that the phrase "and committee members", be added to item 2, and in item 4 that the word "approved" be changed to the word "recommend" and the word "approved", go just before the words "by the State Association".

10. We recommend that the State Association purchase the property of the State Promotional Office.

APPENDIX VI  
RETIREMENT HOME REPORT

To:South Carolina State Association of Free Will Baptist

Meeting with the Eastern Conference at Mill Branch FWB Church, Johnsonville, SC  
FEBRUARY 7-8, 1991

At the 1990 state meeting the Retirement Home Committee stated that a report would be given at the 1991 meeting in the following three areas:

1. Buildings:Types, construction, cost, etc.
2. Resident Cost:For rent and services rendered.
3. Location:Available medical service and other needed services for retired people. The committee has not done this study. It is not the fault of the committee members, but due to the chairman not having the time to provide them with a detailed list for their area study. However, the chairman did do some research in these area's and he gives the following report:

1. From information gained from other retirement home it will not be possible for us to operate a self supporting ministry. The cost of buildings, needed services rendered for the residents, administrative cost and maintenance cost, to maintain a self supporting ministry, would require a residents fee that would be beyond the ability of our people to pay without some kind of subsidy.

I spent several hours with Mr. Hickman, the administrator of the Presbyterian Home in Florence, and he was able to give me some valuable information in this area. Their resident fee os \$930.00 per month. They do not receive any government subsidy, but they do receive subsidy through several sources from their denomination. Mr. Hickman state that if space is available they do not deny occupancy because the person can't pay the full fee nor do they turn a resident out if they become financially unable to pay. It

may be possible for us to provide less expensive housing and services than this home, but not to the point that our people could afford the fee without subsidy.

2. I Checked with the FHA in Florence and Columbia about government subsidy. They determine the persons adjusted income and require that they pay 30% of that for rent. The government pays the balance up to what they consider a fair rent value. There is a good possibility that our people could qualify for this subsidy but there are conditions involved that we probably would not want to

submit to. We would have to set the retirement ministry up as a separate, incorporated organization. At best we would be nothing more than a sponsor of the ministry. We could not limit occupancy to Free Will Baptist, race, religion or even retired people. It would include handicapped people also. The only alternative subsidy would be from our churches and I don't believe we are ready to take this on.

3. I also learned from Mr. Hickman that there has been a law passed in our state, to become effective in 1992, that would require all retirement facilities to be licensed by the state. As I understand it the law would not affect religious teachings in the institution but it would require that the administration and staff meet certain educational criteria. It would also make certain requirements on building facilities and services offered. At this point I have not had the opportunity to acquire a copy of the law, but I do plan to do so, hopefully by this state meeting time.

With the above information in mind we recommend that the Retirement Committee remain active for at least one more year and continue further research into this ministry.

APPENDIX VII  
HOME MISSIONS REPORT

The board met on March 13, 1990; July 30, 1990; December 3 1990 to hear the report of the Missionary and to see the progress made on the land and later the building. We have a great work in Orangeburg, SC. The people of the church are like most Free Will Baptist in this day and time. Brother Earl says he only counts the ones that stick and follow the Lord. Amen.

We are really thrilled with the progress in the building and wonderful support of FWB in our State and friends in other localities. God is blessing the labor in this city.

In the birth of a church, in most cases, the pangs are real and brother Earl and Bernice have had some that

surely hurt in many ways. However, the Lord is faithful and have so delivered his own and will continue to do so. Brother Earl has a throat problem and please do remember him in your prayers. The best we know is the vocal chords become partially paralyzed at times. God is able to heal our brother. Please continue to hold this couple up in your prayers.

We do appreciate the many folk that have gone to Orangeburg to help us in the work. When you read this report we hope to have the brick wall finished, the heating and air conditioning complete, walls insulated, all conduit run and are hoping to have the sheet rock finished, by the State meeting.

The most revealing part of their success in the couple have knocked on 798 doors, have driven 21,000 miles, visited over 20 churches, wrote 50 articles for the daily paper. They have had 22 first time decisions (again, Brother Earl counts those that stick) during this year. They have baptized 10 with more to be baptized later. They have averaged 45 in Sunday School, 51 in the morning services, 43 for the evening services and 39 for prayer meeting. Praise the Lord!

This is a work of God. There is no One way to build churches. The Lord does lead men in various ways to accomplish His desires and commands. The times are coming swiftly to a climax and when you read this report only God know what or where we will be as a nation. One GREAT comfort is to know Who is in charge. There are other cities where 12 of our choice men of God are laboring to establish a work for God. Dear brothers and sisters let us pray for them and aid them as they too continue in His vineyard.

## APPENDIX IX YOUTH CAMP REPORT

The weeks of June 18th through 29th, 1990, served us well as 139 Juniors, 51 Teens, and 60 workers and counselors from across the state gathered at Camp Forest near Cheraw. Although this was my first year as director along with shifting responsibilities among board members, the Lord blessed us with two successful weeks. Rev. Mike Trimble from North Carolina did a very good job as camp evangelist and fun time director. Rev. John Weaver, a summer intern from FWBBC, also did a fine job as chapel speaker. David Aycock, John Weaver, Reuben Cason, and Rick Cason did excellent teaching in the morning classes. Jeff Hart, Kristi Hanna, and Camille Scott did a good job conducting the singing. We had 6 recorded salvation experiences, many rededications, and a few who committed themselves to full time Christian service.

We appreciated your prayers and your giving which doubled from last year. This helped immensely with the encountered increased expenses this year. However, counselors seemed to be much harder to enlist. Please prayerfully consider helping this year. Teen camp suffered drastic decline in participation as the Junior camp enrollment remained about the same.

On June 5, 1990, I shared the following information and intent with the SC State Executive Board. The committee received the information with unanimous approval.

On May 29, 1990, the Camp Board and director inspected the Woodmen of the World Youth Camp near Patrick, SC. After investigating the facilities, possibilities, and cost, we have unanimously agreed that the Woodmen Youth Camp would better meet our needs for the camp ministry and at the same time prove more appealing to our youth. The following information forms the basis for this decision.

Overall, the facilities are much more updated and convenient. The kitchen and dining hall are air conditioned and provide more cooking appliances as well as provide paper goods, plates, cups, etc. Ice Machines are provided and do not have to be rented.

Sleeping facilities are in the form of dormitories with 28-30 beds each. This would allow close to a maximum of 180 compared to the 120 at the present location. They are set up so as to provide more security and ease in keeping up with campers. This would also help in easing the demand for more counselors. A modern facility bath house is provided in the center of the three dorms located in the girls area and the three dorms in the boys area. They have clean tile floors, lavatories w/ mirrors, individual fiberglass shower stalls with a private dressing area at each entrance. Hot water is also available in each of these. There is a maintenance person on the grounds provided by the Woodmen's Camp at all times in case of any problems. The boys' and girls' areas are separated with a six foot wall that can be extended higher if necessary.

The chapel area where worship services and classes will be held is also air conditioned. In this same building there is an area for crafts. Staff quarters and first aid and nurses quarters are provided.

Recreation facilities and equipment are provided. These included softball field and equipment, football, soccer, badminton, horseshoes, tennis court, basketball court, volley ball court, ping pong, tetherball and archery. There is fishing and canoeing in the camp lake which is about five acres in size. A large swimming pool with certified lifeguards provides safer and cleaner swimming. The swimming pool will be blocked from outside viewing. Swimmers can be seen at all times by lifeguard and counselors.

All of the above plus electricity and water and insurance is included in the camp fee of

\$45.00 per week. Cost a present is \$30.00 per week. Because of the vast improved difference in facilities, we believe this fee would not be an obstacle for our people and would be well worth the increase.

Attendance has declined over the past years, especially with our teens. Many of the complaints received would help be resolved in relocating. The State Constitution or By-Laws do not address the issue of camp location. Therefore, there would be no change in the Constitution by relocating. The change would return youth camp dates to the first two weeks of August in 1991 because of unavailability in June. We hope that this move along

with changes already being made in our program will help reverse the present trend of declining participation.

The Camp Board has set up a display with pictures and information to familiarize you with the new situation. Please drop by some time during this meeting. A Camp Board member will be there to answer any questions. Teen Camp will be August 5-9 this year with Junior Camp the following week, August 12-16. The board has set the camper fee at \$45.00 per camper with the \$10.00 registration fee remaining the same.

The following financial report is found on the following page.

CHILDREN'S HOME REPORT

In 1990 we saw sadness and gladness, we saw

unexpected expenses and many blessings from God, that carried us through the year. It was your prayers and your support which enabled us to have a good year. When we realize that 1991 will be much like 1990 in many ways, then we realize that we will still need your prayers and your support to carry on this important ministry.

I thank every church, every firm and every person who supported us this year. We want all to know that you are important part of this ministry and may God bless you as you labor for him,

Our income for 1990 was \$13,121 less than in 1989; however our total income in 1989 included a \$18,300 insurance claim due to Hugo, which really means that our donations and other income was up \$3,722 over 1989. This enables us to go in 1991 with a balance of \$1,421.93 more than January 1990, for which we thank God for.

Our expenses will now increase as we now have a man and wife in charge of the boys dorm. A lady in the girls dorm, plus myself, my wife and cook. We served an average of 22 children per day during the year, which is up 4 over the previous year, with a high of 25 during February and March.

We have continued to upgrade the property and the grounds and buildings are all in good shape at this time. Buildings are - kitchen, dining hall with up stairs apartment, two dormitories, nursery, recreation building and two storage buildings. The vehicles - 1969 Chevy Bus, 1980 Van and two tractors beginning to show signs of wear. Property is valued at \$675,000.

Goals are to improve the spiritual condition of the children and try to get more saved, also to continue to become better known in the area and cause people to

become aware of our needs. We feel that presently there is better relationship between the home, people, firms and

businesses in the Pee Dee area than every before.

PUBLIC MORALS REPORT

"For he that will love life and see good days, let him refrain his tongue from evil, and his lips that they speak no guile: let him eschew evil, and do good; let him seek peace, and ensue it. For the eyes of the Lord are over the righteous, and his ears are open unto their prayers; but the face of the Lord is against them that do evil." (I Peter 3:10-12)

God hates evil and is against it and we ought to hate evil and be against it, wherever it appears. We recognize these areas for Christians to fight against in regards to public morals:

1. Pornography - in print or picture
2. Immoral, immodest and inappropriate television
3. Rock 'n Roll Music
4. Country and Western Music
5. Alcoholic beverages
6. Illegal drugs

Public morals will improve as God's people fight against these evils, and the Gospel changes the lives of those who receive it.

"Let love be without dissimulation. Abhor that which is evil; cleave to that which is

good." (Romans 12:9)

We recommend these materials for help and guidance in the area of public morals

1. "AFA JOURNAL" (AMERICAN FAMILY ASSOCIATION)

TUPELO, MISSISSIPPI 38803  
DR. DONALD WILDMON
2. CLEAR-TV (CHRISTIAN LEADERS FOR RESPONSIBLE TELEVISION)

DR. JAMES DOBSON
4. THE VOICE IN THE WILDERNESS

We also recommend that concerned Christians join the boycotts of stores, products, businesses, TV stations and any others who continue to support these awful vices that are helping to destroy our society.

## APPENDIX XI

### STEWARDSHIP DEVELOPEMENT

#### OFFICE

The Stewardship Development Office serves the churches, pastors, churches, and members of the South Carolina State Association by providing information and services in matters dealing with stewardship and finances. During the year since the State Association last met, the Office has been able to provide the following services:

(1) One church requested amortization reports for varying amounts of money at variable interest rates.

(2) One pastor requested amortization reports on a possible housing purchase.

(3) Three pastors have requested information concerning health and life insurance.

(4) Two pastors have requested inform@tion on matters related to income tax preparation.

This Office does not claim to dispense legal advice. Only a lawyer should do that. The information given by this Office is taken from legal and professional sources.

Should this Association see fit to extend the existence of this Office, several areas of assistance are being planned. These include the area of church budget preparation and stewardship campaigns. Also, work is being done to assist in the areas of deferred giving and charitable trusts.

Respectfully submitted,  
Rev. Joe McKnight

APPENDIX XV  
RESOLUTIONS COMMITTEE REPORT

We, the Resolutions Committee, make the following resolutions:

1. That the clerk of the State Association be instructed to send a letter from this body, stating that we support our President's decision to send troops to the Persian Gulf to handle the issue at hand in the Middle East, and that we support our troops and allies involved in the conflict. This is to be sent to the U.S. President.

2. That the clerk of the State Association be instructed to send a letter to President, thanking him for having a National Day Of Prayer, on February 3, 1991.

3. We recommend that the State Association send the Promotional Director to the Christian School meeting, in Washington, D.C. This was overlooked in the regular business session.

4. We recommend that the South Carolina State Association of Free Will Baptist go on record as being opposed to permitting professing homosexuals and or lesbians as teachers and or ministers in the Free Will Baptist Denomination and that a copy of this be sent to the National Association Of Free Will Baptist.

5. Whereas, there are over 10,000 preborn children killed in their mother's wombs by abortion each year in South Carolina,

Whereas, 97% of these abortions are for the reason of convenience and birth control,

Whereas, this practice constitutes a holocaust against South Carolina's citizens,

Be it resolved that the State Association of Free Will Baptists, consisting of approximately 12,000 members, at it's annual session on February 8, 1991, do state our strong support of the Human Life Protection Act.

Be it further resolved, that we strongly urge every member of the South Carolina legislature to support such an amendment.

Be it further resolved, that we will work tirelessly and prayerfully to urge our communities to also support this amemdment.

6. We recommend that we give a rising vote of thanks to the Host Church for doing a fine job-hosting this State Association.

Respectfully Eubmitted,

Joseph Wallis  
David Carter  
Jerry Franklin  
Austin Martin  
David Aycock
