Bro. Eddie Moody gave our National report. We are currently at the lowest number of members we've ever had (pastors, preachers, deacons). 201 FWB Churches are without pastors, every 3 weeks a pastor dies. Pray for the health of our pastors. We need pastors. What are some steps we can take to help with our dearth of ministers? Several programs and incentives were presented for our churches.

**We Are Better Together** – “Our churches need to grow.” “We need to disciple our children.” “I want to give my all to the Lord.” To achieve these crucial goals, we must focus upon specific actions. With this in mind, Free Will Baptists have adopted the **3 for 30 Plan**, which involves reaching and training our people and giving our resources back to the Lord. When we do these things together, our churches and ministries are more likely to grow.

**3FOR30**: Reach – Train – Give (NAFWB.ORG/3FOR30): From social media and church growth initiatives to printed resources and the Better Together Podcast, the Executive Office offers many helpful tools to help your church or association grow. Many resources are offered in Spanish (and in some cases, French and Portuguese). In addition, the Know Your Community Report is a resource to assist you in reaching your community more effectively. Email [questions@nafwb.org](mailto:questions@nafwb.org) if interested.

The NAFWB offers resources to help our churches. Do you receive ONE Magazine? If not, why not? Coming December 5-6, make plans to gather in Nashville for the 2022 Leadership Conference. This year, we will explore the theme Disciple SHIFT, featuring keynote speaker Robby Gallaty: [nafwb.org/leader](http://nafwb.org/leader).

The Together Way Trust: In 1982, the Executive Office used a \$100 gift from Wilbur and Alma Worthington to open The Together Way Trust. That initial gift has been earning interest since and will remain in the trust until the Lord returns. Other donors have joined the Worthingtons, and today, the trust totals more than \$100,000. Recently, denominational directors set a goal to reach 5 million in the trust, making \$250,000 interest available to ministries each year. Song by the Lore Family

Message by Bro. Danny Stone. 1 John 1:4-7, Ways We Can Enhance Our Lives and How we can Overcome the Darkness. We need to walk in the light. The world says, Why do I need the light? The light we walk in never fades. We can use Scripture to overcome. Prayer will help us to overcome. Adding to our testimony will help us to overcome. Looking for the coming of our Saviour will help us be overcomers.

Thursday Afternoon Devotion by Bro. Monte Guffy

**SC WAC report** by Sis. Misty Todd. Greetings from SCWAC!

In February of 2021 I was approached by the SCWAC Nominating Committee to consider being the Successor to Pam Hackett as SCWAC Coordinator. After a time of prayerful consideration, I was elected by the State WAC Executive Committee in March. We were unable to hold our state meeting in both 2020 and 2021 because of COVID-19. BUT I am pleased to announce that we are planning to meet for our South Carolina State WAC meeting on March 19<sup>th</sup> at Gaffney First Free Will Baptist Church. Registration will begin at 9:00 am and the service will begin at 9:30 am.

Our ladies' retreat was held September 10-11<sup>th</sup>2021 at Look Up Lodge. The theme for the retreat was "Moving forward with confidence. With Christ we can mentor the next generation" and the key verse was Philippians 4:9 which reads, "Those things, which ye have both learned, and received, and heard, and seen in me, do: and the God of peace shall be with you." Our speaker for the weekend, Amy Johnson, Illinois State Women's Ministry Coordinator, did a fantastic job bringing us what the Lord had laid on her heart. Though our attendance was still a little off, the Holy Spirit truly showered up with His presence. We took time during the retreat to honor Mrs. Pam for her years of faithful service as SCWAC Coordinator. We also paid tribute to Tim and Kristi Johnson for their years in Spain, and collected gift cards to help them during their transition to the US. Plans have not yet been made for the retreat this year, but I will be communicating that information to our churches as soon as it becomes available. We are open to suggestions for locations and times of year that may work better for our ladies. Please feel free to share your ideas with me.

I am positive you all have ladies in your churches. Please encourage them to spend time together, if they do not already. We would also love to have them be a part of our meetings. As a quick reminder, the WNAC or SCWAC no longer requires dues in order to join us in fellowship. We do still ask for donations at national, state and district levels from church groups because there is still work to be done, **but it is our desire that all women feel welcome to participate in our efforts to further the gospel.** If you or your ladies' group would like more information about meetings, the SCWAC, WNAC, or ideas for church group studies please reach out to me. I will be glad to assist however I can.

Respectfully Submitted, Misty Todd, SCWAC State Coordinator, Motion to receive report. MSC

**Bro. Clint Morgan gave a report for International Missions.** The churches in SC have been an integral part in assisting the India ministry to be able to continue year after year. Please continue to be faithful in giving. Financially 2021 was a record breaking year. God has been faithful. God continues to add missionaries to the work around the world. Even during Covid environments God has sent missionaries and the churches have provided the needed support. Let's never lose sight of Who's harvest it is, it is God's. Let's continue working together.

Chris Todd presented to missionaries Tim & Kristi Johnson a plaque for 24 years of service in Spain. Bro. Tim spoke of the years of service and thanked the SC FWB churches support for all those years. Bro. Tim is now the missions coordinator at Welch College

Chris Todd presented to missionaries Andy & Andrea Moore a plaque for 20 years of service in Brazil and beyond. Bro. Andy spoke of the work the Lord called him to. The Moore's have served the Lord in Brazil in several different places. They have turned their church over to a national pastor. The Moore's are now serving the Lord at the First FWB Church in Inman, SC with Next Gen ministries. We, as servants, must fight for this generation.

**Home Missions report** by Bro. Gene Gilbert. Update on the St. Stevens work by Bro. Frank Dillon. Bro. Frank Dillon is doing an excellent job. Churches are encouraged to have Bro. Frank to come speak in their churches. God has blessed us with a building and is blessing the work. The Aiken work was sold and the funds were used to pay off the mortgage at St. Stephens and the rest deposited in CELF. We encourage people to support SC Home Missions in their budget. Respectfully submitted, Gene Gilbert.

Bro. Frank Dillon gave thanks to God and all the churches that were helping in the support of the mission church.

**Board of retirement,** John Brummitt gave a report regarding the BOR plan. We are encouraged about how the work is progressing. All churches are encouraged to make sure they have a plan for their pastors. They have added educational resources for churches and members. Information can be found on the website as well as by listing to their podcast. Churches are also encouraged to participate in institutional investments.

**FWB Family Ministries,** Mike Allison gave a report on the children's home. The Lord is blessing the work of the children's home. There was a ribbon cutting ceremony at the Maternity home today.

**Dr. Don Hanna gives the report for Friends of India.** Offered thanks for all those who serve on the board to help with the mission effort. Jesus' heart was moved with compassion because of the need of the people. Jesus said other sheep I have. They are His sheep. We are privileged to partner with Jesus in our missionary efforts. God can open the doors. God is opening doors in India. These last two years have been difficult for ministry everywhere in the world. Technology has greatly benefitted the missionary church in India. Our south India work is led by Preacher Stanley Rajkumar; he has had recent back surgery and continues to desire prayer. Pray for those who face opposition in the preaching of the gospel. They were not allowed to have the annual conference for 2021 & 2022. The government had made it difficult to get funds to our mission work, please pray for this need. Christians are still under great persecution in India; please pray continually for their walk with God. Pray for those who have trusted Christ but have no church to go to. They are desiring to learn about Jesus and the gospel. The work in India needs faithful people who will pray every day. Thank you for praying. Motion to receive report. MSC

The continuing Covid Pandemic and increased persecution and governmental oversight make it more difficult to move necessary money for ongoing and new projects. We are working to overcome these difficulties while using wisdom to prevent the loss of money while it moves "through the pipeline". Your continued support is very important and your prayers for wisdom and protection are vital.

God is still blessing HIS work in India. Hundreds have become Christians, Churches are being built and maintain their witness, Christians still meet (even if sometimes electronically), food and relief supplies are delivered, and the light of the Gospel still glows in India and Nepal.

Thank You for your partnership in this great work.

## SC Free Will Baptist Disaster Relief

The South Carolina Free Will Baptist Disaster Relief teams have had a very active year. Despite hindrances pertaining to the global pandemic, we were able to minister to victims of two natural disasters in 2021.

Waverly, Tennessee- Due to heavy rainfall residents of Waverly Tennessee were devastated by violent flooding which tore houses loose from their foundations. The 1<sup>st</sup> Free Will Baptist Church and parsonage in that town were greatly affected with flooding. The DRT volunteers from upstate South Carolina were able to go and provide assistance to the church and parsonage.

Bowling Green, Kentucky- A rare winter tornado struck residents of Bowling Green, Kentucky in the early morning hours of December 17. A DRT crew from across the state went to Bowling Green to provide assistance. A special thanks to Lake View FWB Church in Bowling Green for providing their family Life Center as housing for volunteers. DRT Crews were able to help and pray with 9 families during their time.

Hutchinson Roof Project- As a project this year the SCFWB DRT has endeavored to provide a pitched roof for badly leaking mobile homes for Sis Mildred Hutchinson. The Project is almost complete and will likely be finished early spring. Thank you to all those who have volunteered this past year.

St. Stephen's Mission Plant- The Church adopted by The DRT Teams for 2021 was the St. Stephens Church Plant. DRT Crews were able to go and install new entry door on the building. Because of pandemic delays, the windows for the sanctuary have not come in yet and will be installed in 2022. Due to global pandemic there was no need for an annual in person meeting. Please continue to pray for and support the ministry of DRT, as we endeavor to be the hands and feet of Jesus to this world.

Welch College report given by Bro. Todd Parish. Your college is committed to sending out graduates to send forth the light of the gospel. In the fall we conducted Welcome Days and had a great turn out. The college currently had 73 admits (potential students). We have over a dozen students training to go to the mission field. We have a need for preachers. To help with this need we have established a scholarship for young men who have been called by God to preach the gospel. We now have an MDiv. program. We have other new programs that we offer. We encourage you to review our website to see if we can help you in furthering your education.

David Brown gave the report for the FWB Foundation. We have a theme, "We Make the Whole Team Better." The Foundation is the offensive line that helps all the other ministries become better through the funds we are able to raise. The Foundation helps families set up their estate planning. Please allow our representatives to come and give a seminar in your churches. Please consider tithing on your estates.

**North American Ministries report** by Ken Ackers. We're much more than just home missions. We also head up Master's Men. Master's Men does a lot of work with Disaster Relief. North American Ministries also works with our Chaplains. We currently have 9 active chaplains and 4 in the candidacy. Retired Col Terry Austin heads up our program. The Hispanic ministry is seeing great growth. Church planting is our number one mission. We currently have 41 English speaking church planters, planting 32 churches in 22 states. Bro. Brandon Smith is one of our church planters and he shared his desire to begin a church plant in Hickory, NC

Afternoon session adjourned until the evening session. Prayer by Bro. Doug Mathis.

Morning Devotion: Bro. Tommy Hill, offered a message from Ruth 3:11, The Night Won't Last Forever

Derrick Altom gave the **Randall House report**. Churches are challenged to send their children to the National Convention. Spoke of the D6 conference in Orlando with the theme of "Reset." What are we doing as a local church to reach families? We strive to make tools to help the church help the home.

Bro Steve Berry brought a report from **Southeastern Free Will Baptist College**. We have 28 pastoral students, we need more. Our spring conference is coming up and we invite you to visit. Please allow us to visit in your churches so we can share the mission of our college. Thank you SC for all you do.

Bro. Scott Ard gave the **Final Credentials** committee report. We have five conferences represented totaling 101 churches (BC-20, CA-21, EC-18, SCC-37, TL-5), we received \$26,260 in dues, we have 41 ministers, 11 delegates, 9 national reps, 10 missionaries, and 10 visitors attending with a total attendance of 81. **Resolution by Bro. Chris Todd to go to National.**

A RESOLUTION OF REPENTANCE National Association of Free Will Baptists

Whereas the Free Will Baptist denomination in North America has historically been rich with zealous servants of God, who pioneered movements, led revivals, planted churches, maintained consistent standards regarding God's Word, and pursued relentlessly pure religion undefiled before God, and

Whereas in spite of the aforementioned attributes, we have in the last three decades presided over the

decline of nearly five hundred churches, the decline of Sunday School enrollment by nearly 75,000 people, the decline of ordained ministers by 1,100, and the decline of ordained deacons by nearly 2,500, and presently we are witnessing a staggering reduction in baptisms to an annual average of 1.6 per church and

Whereas our sins have offended our holy God and been a severe detriment to our churches, resulting in a state of crisis and a desperate need of godly sorrow and urgent repentance and

Whereas God's Word warns that failure to obey His precepts results in chastisement, weakness, and removal of His blessing, it also promises mercy, forgiveness, and restoration when we sincerely repent.

Therefore, be it resolved that we as a denomination corporately acknowledge our sin before God, His redeemed church, and the unbelieving world to whom we are to be salt and light, confessing our:

- Prayerlessness as we depended on our abilities and gifts.
- Complacency as seen in our lukewarmness and our lack of urgency.
- Failure to work in unity while focusing on our differences rather than God's priorities.
- Critical spirit directed toward leadership and those not in our group.
- Prejudice and racism that has hindered the evangelism and discipleship of those in our communities who are unlike ourselves.
- Neglect of Biblical and redemptive church discipline.
- Pride which attempted to steal the glory which belonged to God.
- Callousness revealed in a lack of tears for our condition, for our sins, and for those without Christ.

Be it further resolved that those of us who are redeemed by God's power and strong hand to individually call upon the Lord in fervent prayer and fasting, pleading for Him to hear our prayer and grant us as members and churches of the National Association of Free Will Baptists success in obeying His Word.

Reading of names of those who have passed away since our last gathering. The following pastors and wives have gone home to be with the Lord. Parvis Ashuri, Jackie Creech, James Sanders, James Childers, Robert Rose, Bruce Kimbrell, Elroy Driggers, George Brasington, Terry Brown, Leroy Larrimore, and William Porter. Ministers wives that have gone home to be with the Lord are; Brenda Cash, Brenda Creech, Barbara Dunbar, Marie Baker, Joyce Tyler, Analee Alexander, Faye Miles, and Mary Hyman.

Next state meeting, Central Association

**Report by the Costa Rican mission.** Shared the report about the Costa Rican mission work. We need \$15,000 to build a church. God has provided the funds needed. We praise the Lord for His blessings.

Final Worship service began with music by the Lore family.

**Friday morning message:** Bro. Carroll Bazen, Matthew 4:12-17, The Light was Revealed - Woman taken in adultery, The Light Restores - Zacchaeus restored fourfold, The Light Revived - the woman at the well met Jesus. Jesus told us all how to come out of darkness and into the light.

Motion to adjourn. MSC

Prayer and blessing on the food.

INDEPENDENT ACCOUNTANT'S REPORT  
ON APPLYING AGREED-UPON PROCEDURES

South Carolina State Association of Original Free Will Baptists, Inc.  
Sherwood Lee, State Moderator  
P.O. Box 9  
Turbeville, South Carolina 26162

We have performed the procedures enumerated below on the cash receipts and disbursements of the South Carolina State Association of Original Free Will Baptists, Inc. as of December 31, 2021. The South Carolina State Association of Original Free Will Baptists, Inc.'s management is responsible for cash receipts and disbursements.

The South Carolina State Association of Original Free Will Baptists, Inc. has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose to test the accounting process for cash receipts and disbursements. No other parties have agreed to and acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The procedures and associated findings are as follows:

1. Obtain an understanding of the accounting procedures of the South Carolina State Association of Original Free Will Baptists, Inc. as of December 31, 2021, as they relate to cash receipts and disbursements.
2. Randomly selected three (3) weekly batches of receipts and applied the following procedures:
  - a. Recalculated documentation for clerical accuracy.
  - b. Confirmed the receipts per the daily receipt summary were properly deposited to the bank.
  - c. Confirmed the receipts per the daily receipt summary were properly posted to the general ledger.

We have performed the above tests. During these tests we noted no exceptions.

3. Randomly selected ten (10) items from each of the three weekly batches selected above (item 2) and traced them to the intended designations or beneficiaries.
4. Randomly selected twenty-five (25) disbursements from the population of the organization's checking accounts and perform the following procedures:
  - a. Compared supporting documentation, such as invoices, purchase orders, requisitions, etc. for existence, approval and cancellation in support of disbursements.
  - b. Inspect cancelled checks for proper payee, date and amount as recorded in the general ledger and supported by the underlying documentation.
  - c. Inspect canceled checks for authorized signatures and compare to bank statement.

- d. Traced the transactions into the general ledger, noting the appropriateness of the account distribution. However, if certain accounts were subdivided, such as office items, we may not know the particulars that would place the item in one account or another and such distribution criteria were not tested.

We have performed the above tests. During the tests we noted no exceptions.

5. For all bank checking accounts we compared the December 31, 2021, balances in the general ledger and the balances on the December 31, 2021, report sent to the state office to the reconciled bank statements to verify completeness of monies.

We have performed the above tests. During these tests we noted no exceptions.

We were engaged by the South Carolina State Association of Original Free Will Baptists, Inc. to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the cash receipts and disbursements. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the South Carolina State Association of Original Free Will Baptists, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely for the information and use of the South Carolina State Association of Original Free Will Baptists, Inc. and its State Moderator, and is not intended to be and should not be used by anyone other than these specified parties.
