Burden expressed appreciation for the 17 years he has been able to serve as the Executive Secretary. Received as information.

Bro. Clint Morgan gave a report on our International Foreign Missions. Some good news, the year was ended in the black. All missionary deficits were erased by the end of the year. The state of SC has the longest serving missionary and many of the youngest missionaries as well. Our missionaries are doing well in the work for the Lord. The Johnson's, Morgan's, and Postlewait's are all doing great work for FWB. SC churches are doing well in giving to international missions, thank you for your support, SC churches gave \$577,800 to support missions in 2018. Please continue to support our World Missions Offering (just over \$24,000 in 2018). When we give to World Missions Offering we are helping missions all around the world. Received as information.

Sis. Elizabeth Hodges gave a report for the WNAC. The WNAC is here to help each woman fulfill the great commission. The WNAC is an established ministry since June of 1935. The WNAC gave over ½ million dollars to ministry causes in 2018. One of the ministries that many are familiar with is the Provision Closet. The Provision Closet met over 203 needs in 2018. This is a way to encourage our international sisters. The WNAC has 3 different scholarships and in 2018 \$8500 in scholarships were awarded to 15 different students. A grant allowed us to have a Shine conference to teach young ladies that they have an identity in Christ. This has been shared in 17 states with over 600 people attending. Another ministry is Treasure and will become a free online resource in Dec. 2019 for women. The WNAC will now be having regional events to help our ladies to connect with each other. There is a desire to connect with our church ladies on social media. The WNAC is available on Facebook. Received as information.

Bro. Rick Bowling gave a report for the North American Ministries. Thank you for all the prayers and generous giving. Gave some details regarding the replacement of the roof at the San Juan church. Everything that is planned to be done in 2019 will allow this church to get back involved in the ministry as it was prior to the hurricane, please pray for this. Thank you to disaster relief that has been so instrumental in accomplishing this great work. We're still building churches in North America. Currently we have 51 church planters, 38 plants, 382 salvation decisions in 2018, 143 baptisms, and 4154 first time guests at our churches. We have 5 Army Chaplains, 2 Navy Chaplains, 1 Guard Chaplain, and 1 Army Reserve Chaplain. Our current Una Hispanic church has purchased some property and the work is growing. Please pray for these works. Received as information.

Randall House gave a report. We are in the process of sending mailers to targeted Methodists to consider FWB curriculum due to the current trending in their churches. We have a great partnership with the SC state bookstore. One really important question, "What if what happened in church also happened in the home?" We need to speak at home what we hear and learn at church. Our curriculum is focused on questions of life. Our mission is building believers at church and home. In June the final commentary of the New Testament, the gospel of Luke, will be completed. Please let us know how we can serve you better. Received as information.

Bro. Mike Edwards gave a report for Welch college. Greetings and thank you for your support. The mission of Welch College is to educate leaders to serve Christ, His church, and His world through biblical thought and life and we're on mission to do that. Every student at Welch college graduates with two degrees. All students will graduate with a degree in Bible. There are more than 40-degree programs at Welch college, but we can't fulfill our mission without the support of the SC FWB churches. We are thankful for the giving to the Welch fund; it is used to offer scholarships to students. Welch now offers a Masters Degree program for educators. We invite everyone to join the Torch Bearer's club. Thank you for your support. Received as information.

Bro. John Brummit gave a report for the FWB Board of Retirement. We encourage everyone to start a retirement plan. The board conducted a benchmarking study to compare plans that are available for FWB. Our plan is the best available plan. We began an instructional program for churches to set up accounts to prepare for opportunities that come available. We are working to become more technologically advanced for easier access. We are trying to do more to provide financial education for FWB's. Much of this is available on the website. Received as information.

Bro. David Brown gave a report from the FWB Foundation. Shared some passages from the Bible teaching the importance of reaching the next generation. Our ministry is to encourage FWB's to give some of their assets back to the Kingdom of God's work. We offer seminars to help church members learn how to make estate plans that include the FWB Foundation. The FWB ministries can also be helped through planned giving. We offer brochures that help people understand the products we offer. Our website has information regarding grants that are available for FWB's. Let's share our assets with FWB's for our future. Received as information.

Bro. Jim McComas gave a report for the FWB Family Ministries. This year we celebrate our 80th anniversary. Our ministry is a very large ministry with over 200 employees across several states. At any given time, we have between 100-150 children. We have assisted living centers and crisis pregnancy centers. At the end of December, we showed a profit from a previous year of losses. We are working towards a FWB drug and treatment center as a long-term goal. Thank you for partnering with us. Received as information.

Our 2018 SCFWB summer camps were a great success! The Lord blessed our camps again with campers, a great experience and with His presence! We started with the Teen Camp on Friday, July 27th and went through Sunday, July 29th, a three-day weekend that was full of excitement and fun. We had 60 teen campers in attendance and that is a big improvement from the previous year! During the weekend Brother Chris Edwards preached on Friday and Saturday, and Brother Stephen Carlson and myself preached on Sunday. The teens responded to the word of The Lord and many were in obedience and praying on the altars for The Lord's will in their lives. We had 2 salvation decisions and 8 rededications during our teen camp! There was also 4 Bible sessions on Ministry, Missions, Worship, and Lay Persons in the Church. These sessions helped the teens to better understand each area of service and it encouraged them to seek The Lord's will for their lives as they go forward serving The Lord. They also had Team Challenges where they had to work together to complete several task presented to them. The teens enjoyed going to the Elite Laser Tag in Florence, as well as the adults enjoyed it too! They all had a Blast! We Thank the Lord for His impact on the lives of our teens.

The 2018 Junior Camp was held on Monday, July 30th through Thursday, August 2nd at Camp Pee Dee in Marion, S.C. It was also a huge success with a huge increase in campers. We usually average around 115 juniors campers and this past year we had 150 campers! We had Brother Kevin Bass back with us and he did a Great job bringing God's word to our Juniors. Brother Kevin also interacted with the juniors throughout each day during the various activities and games. The juniors also responded to the Lord in prayer time on the altars with 16 salvation decisions and 10 rededications, and many of them talking things over with the Lord. The campers always enjoy the fun and activities throughout the week at camp with swimming, slides, crafts, music, and games! The canteen and Cafeteria are always favorites as well with snack time and delicious home cooked meals! We thank the churches and parents for sending your youth and the helpers to camp, let's continue to pray for our youth as the Lord has great plans for their lives!. This year I will be coming off the youth board after much prayer and consideration. Having moved and now pastoring in North Carolina, it is now time for me to pass this amazing ministry in the very capable hands of our youth board members. They already have two great members to come on board at our state meeting. They are planning and preparing another great year at summer camp this year! Please pray for them as The Lord leads them and our amazing youth forward in His Will.

In Christ, Brother Teddy Rabon

CTS State Competition - Executive Committee Planning Meeting - February 20, 2016

Minutes 2018, Saturday April 28, 2018, Temple FWB Church, Attendance 98

Welcome and announcements were given by Bro. Donald Gilbert. Bro. Randy Valandingham opened with prayer. Mrs. Kim Driggers gave some instructions on how the competition would proceed. She also introduced the judges Lynn Tyler, Maggie Donaldson and Naomi Player. Scorekeepers were Stacey Gray and Elfrieda Monday.

Bro. Donald Gilbert brought the devotion using Luke 2:41-52. Jesus was taken to "church", trained in Biblical ways and raised with help from all in His life. We need to do the same with our youth today, encouraging and challenging those in our circle of influence.

Competition started, with participates in the catagories of Bible memorization, group memorization, sword drill, preaching, vocal solos, individual and group drama, human video, creative arts and a long article sent directly to Nashville. All competition was completed before lunch.

Awards were presented by Mrs. Kim and Kaylynn Wells. All with no competition will attend Nationals and in vocal solo Emily Hyman will be representing South Carolina.

Bro. Valandingham then called the Business Session to order. Chris Todd led in prayer. The treasurer's report was handed out with a motion to accept second and carried.

It was reported that the constitution and by-laws were accepted at the State Meeting.

Motion made second and carried to give each competitor \$30 to help with expenses to attend the Nationals.

Motion made and carried to give rising vote of thanks to Temple Church for doing such a great job hosting this meeting. Thanks also to all those making this meeting possible, competitors, coaches, parents, judges, and many more working behind the scenes.

The next meeting will be at Horse Branch Church. It will be April 26 & 27. Motion made, second, and carried to adjourn. Bro. Valandingham dismissed with prayer and blessing on the lunch provided by the host church.

Submitted by Elfrieda Monday, secretary

January 3, 2019 - Mrs. Kim brought to our attention the planned meeting in April is right at the end of spring break and would be difficult for several to make the competition. The board discussed moving it to May 3 & 4. After checking with other groups we voted to move the date to the first weekend in May for this year only. Submitted by Elfrieda Monday, secretary

FRIENDS OF INDIA REPORT, 2019 SCFWB STATE ASSOCIATION

We presently have believers from at least 24 people groups in our India Churches. In the Indian states of West Bengal, Bihar, and Tamil Nadu; and in the country of Nepal (where we have existing works), there are more than 1821 unreached people groups represented. If we had adequate support we have the opportunity and known leadership to reach many of Indian's unreached and unengaged people groups. 26 "churches" have no meeting place at all. Not even a shed to protect from sun and rain. 6 groups have purchased land and need a permanent church building. 37 large congregations need land on which to build a permanent church building. There is still much work to do as we Build God's Kingdom in India together. Your prayers and support are vital.

We try to keep enough in reserve to build a church and handle any immediate emergencies (for example; unexpected roof repair of our South India Bible Institute and unexpected medical emergencies in North India resulted in vitally necessary expenses in 2018).
GOD IS DOING A GREAT WORK AND YOU ARE HELPING MAKE IT POSSIBLE.

ON GOING PROJECTS: * Hostel (Boys Home) – monthly contributions for food, clothing, school books and materials. * Church buildings, \$50,000 construction cost. * Evangelist/Church planters, \$75 per month. * Bikes for Evangelist/CP, \$75 per year. * Motorbikes for Pastors, \$2,000 each. * Relief work – food, clothing, materials to help during flooding and other disasters. * Travis Poston Land Fund – land must be purchased before churches can be built.

*Friends of India is a non-profit organization incorporated in the state of South Carolina. Gifts to the ministry of Friends of India are tax deductible. Friends of India is a supported partner of the South Carolina State Association of Original Free Will Baptists, Inc. Friends of India is a recognized partner for the support of the ministry in India by NAFWB International Missions. Gifts to the Friends of India Trust Fund are invested in a secure trust account with the National Association of Free Will Baptists. This is a perpetual method of support since only the interest from this account is used to support the ministry while the trust fund balance remains intact. Gifts to the Friends of India general fund are used for presently ongoing projects such as building churches, purchasing motor bikes for pastors and evangelists in India, and other projects that expand or continue the present ministry.
