Executive Secretary, NAFWB, Dr. Eddie Moody. We are now in a difficult situation with our churches. Church attendance is down throughout the U.S.A. Our FWB churches in the US has declined from 2505 in 1982 to 2011 in 2018. There is an average of 40 churches that leave the NAFWB annually. The National office is partnering with North American Ministries with a program entitled, Refresh. Information is available on the National website to assist churches in assessing their current position. A podcast has also been started (Better Together) to provide useful information to churches. There are multiple links that can be assessed from the National Association website that can be of great use to our FWB churches. We are experiencing a shortage of available pastors. The National website now has an online directory of our churches. The National office is requesting our churches to send a picture of each church to be attached to the directory. They would also like a short video with some introductory information regarding each church. Churches are encouraged to attend the Leadership conference.

Introduction of guest speaker, Sister Carolyn Riddick, North Carolina State Coordinator. She shared her heart on the theme “Seasons of Change” from the scripture 1 Chronicles 12:32 “And the children of Issachar, which were men that had an understanding of the times, to know what Israel ought to do...” Meeting the challenge of a changing world and what Gods word says and how we move forward knowing that. Understanding where God is moving, not just in the world, but in the WAC. A call for change in the WAC, seeing we need a different strategy but still maintain our purpose. Are we to recognize it or are we to ignore and resist it? Biblical principal on change 1 Chronicles 12:32a. Are we following Gods direction? Tactics today are different than 50 years ago. It is important to know when God is moving. Moving forward with changes within the WAC we need to make sure we are obeying what Gods word says. We don’t need to fail to achieve the goal. Step out in faith and try new things within your WAC group. Embrace the changes and challenged to help women find their way in the Great Commission. Can we imagine what it can be by God’s grace and see what His work could look like? Philippians 1:6.

“Vision on Change” Power Point Presentation was shown and the prayer for this vision was that “God to direct each local church in which method works best for them and to seek and be wise stewards”.

MEETING WAS ADJOURNED

SCFWB Disaster Relief Team PO Box 9 Turbeville, SC 29162

The SCFWB Disaster Relief Team has had a very productive year in spite of not having any disasters with which to mobilize. A look at the weather map below which tracked named storms in the Eastern Atlantic demonstrates what seems to be a buffer of protection around the continental United States with regard to hurricanes. In disaster relief no news is good news! We praise the Lord for a break from disaster. But that doesn't mean that we sit on our hands and watch the world go by. The writer of the book of Proverbs reminds us to go to the ant, consider her ways and be wise. That is exactly what we have done in this year.

The ant makes her preparation in times of plenty. This year the SCFWB Disaster Relief Board wrote for a grant from the FWB Foundation and thanks to their generosity we were awarded \$17,500.00 to purchase a Mobile Command Center. This Mobile Command Center will serve as a base of operations during larger scale DRT operations.

The ant also labors diligently. This year the SCFWB Disaster Relief Board started the Adopt a Church Initiative. In May of 2019 over 75 volunteers assembled at Immanuel FWB Church in Santee and provided a complete makeover. This year the board has chosen Rejoice Fellowship Church in Aiken for the work day. That day is scheduled for May 16th 2020.

The ant provided for others. The board has designated the last Sunday in May, which marks the beginning of the Hurricane season as DRT Sunday. We are asking our churches to take up a special offering for SCFWB DRT that Sunday. Gifts can be sent to The SCFWB State Office, at PO Box 9 Turbeville, SC 29162.

FRIENDS OF INDIA REPORT 2020 SCFWB STATE ASSOCIATION

Missionary Carlisle Hanna reported good attendance during the 2019 annual conference of India Christians. Many made decisions for Christ and seventy-one followed in baptism, including a man whose wife and two sons had been believers for more than 25 years. He believes that more people made decisions for Christ and followed in baptism in 2019 than in any previous year.

Gifts to Friends of India helped make this possible. Two years ago, one of our India Evangelist led a Muslim man to the Lord. In spite of death threats and great opposition this converted Muslim has won many people to the Lord. In December of 2019 he held a meeting with over 500 people in attendance to hear him proclaim the gospel – including his family and the people who had tried to have him killed – Glory! Lives are being transformed and Churches are being built because of your support.

And, Remember, (because of help from Minister Ministry), 100% of the money you give is used for ministry. Thank You for helping to make a world changing difference.

- Friends of India is a non-profit organization incorporated in the state of South Carolina. Gifts to the ministry of Friends of India are Tax Deductible

- Friends of India is a supported partner of the South Carolina State Association of Original FWB, Inc.

- Friends of India is a recognized Partner for the support of the ministry in India by NAFWB IM.

- Gifts to the Friends of India TRUST FUND are invested in a secure Trust account with the National Association of Free Will Baptists. This is a perpetual method of support since only the Interest from this account is used to support the ministry while the Trust Fund balance remains intact.

- Gifts to the Friends of India GENERAL FUND are used for presently ongoing projects such as building churches, purchasing motorbikes for Pastors and Evangelist in India, and other projects that expand or continue the present ministry.

SC FWB Youth Ministries Report 2019 Sail with the Savior!

Both Free Will Baptist summer camps were held at Camp Pee Dee in Marion, S.C. This year our theme was "Sail Away with the Savior on the Discipleship" and the theme verse was Luke 8:22. Our teen camp was held the weekend of July 26-28 and it was a great success. We had a total of 50 teens and Tyler Penn brought the messages each night. Many teens were on the altar each service making decisions and getting closer to the Lord. We selected 15 teen workers who volunteered to help work during junior camp. The teens enjoyed swimming, water slides, games, singing and worshipping together. They also enjoyed going to elite tactical.

Our Junior Week was held July 29 – August 1. It was also a great week of camp. We had 80 junior campers, 15 teen workers and about 30 adult counselors and workers. Each night we had a different speaker preaching the word and challenging their hearts. On Monday night Preacher Lon Howle, Tuesday night Preacher Chris Todd, Wednesday night Isabella Mcmillion from Samaritans Purse connected with the children in a testimony that God loved her through a shoebox. Thursday night the gospel was presented through juggler Dana Tison. Many children were on the alter each night praying to get right with the Lord, praying for families, and things in their lives. The juniors also enjoyed swimming, water slides, games, making friends, singing and worshipping together.

The Youth Ministries Board would like to thank all the churches who sent their campers. We also send out a big thank you to our volunteers who come help with camp. Camp would not be possible without your help. Another way churches helped this year was cooking some of the meals for the campers, wow what a great help.

The changes in school calendars are making challenges to camp schedules. This year we'll be having Junior camp July 30-August 1 and Teen camp will be in August.
