Bobby Poole

Long-time IM missionary Bobby Poole went to be with his Savior early in the morning on January 25, 2024. He and his wife, Geneva, served the people of Brazil since their arrival on the field in December of 1960. They were involved in three church plants in the city of Ribeirão Preto, where God used their faithfulness to minister to many people. After Geneva passed away, Bobby retired from IM in December of 2013, after 53 years as missionaries in Brazil. He continued to live in Brazil serving God until he passed away.

Join us in praying for the Poole family and many Brazilian brothers and sisters who are all mourning the loss of a devoted family member and mentor.

Missionary Update

Alejandro & Breanna Johnson (France)

We were appointed as IM missionaries to France in December 2023. We met at Welch College and got married in 2021. Alejandro grew up in Spain under former missionaries Tim and Kristi Johnson, and Breanna grew up in Muscle Shoals, AL.

France is a spiritually dark country, where only 1% of the population are evangelical Christian and 30% of the population claim to be non-religious. However, God is working among the French people, and Free Will Baptists have been serving in the country for many years with some fruit.

Nevertheless, there are very few French leaders in our churches. There is no theological education nor are their resources to help people learn about their faith and be trained for ministry. We are going to be involved in training future leaders in our churches. There are several men who are interested in answering the call to ministry, but desire more theological education to be able to serve the Lord to their fullest capacity. Please partner with us in prayer and financially to share the gospel with the French people and to disciple Christians to serve the Lord however He calls them.

Thank you to the men who came out on February 3rd to put a new roof on a house. Materials and time were donated to help a pastor in need. Praise the Lord for the work that was accomplished!
