WE BELIEVE...

The Old and the New Testaments were written by holy men inspired by the Holy Spirit — God's revealed word to man (2 Peter 1:18-21).

The Bible is a sufficient, infallible rule and guide to salvation, Christian worship and service (Exodus 4:15; Psalm 32:8; Hebrews 1:1-2).

The Bible is the Word of God, without error in all matters (Psalm 119:151, 160).

Missionary Updates

Jonathan and Amy Postlewaite (Bulgaria)

Pray for us as we plan to come to the U.S. for a six-week stateside assignment at the end of this summer! Because our time will be limited, the focus of this visit will be to visit as many of our supporting churches and friends in South Carolina as possible.

Then, in the summer of 2026, we will come to the states again with the plan of visiting our supporters in the other parts of the U.S. We'd love to start making plans to connect with any of our friends and supporters in South Carolinas during August!

Would you please pray for our efforts to plant a healthy church in the village of Odurne. While we have built relationships with several people in the village and often have good conversations, our weekly gatherings only consist of three people on most weekends. Would you please pray that God would open doors for the gospel and that He would give us wisdom as to how to lead the believers in our church.

Please pray for us as we try to navigate the challenges of leading a bilingual church. While things have gone somewhat smoothly to this point, we are aware that our current way of doing things may not be sustainable for the long term. Please pray that God will provide us with more people who can help with things like translation and bilingual worship.

Lately, our church has had kids between the ages of 3 and 13 in attendance. Please pray that God would provide us with more people who can help us take advantage of the opportunity to help all of these kids learn more about God and His will for their lives.

Please pray with us that we will be able to reach more families in our city. We would love to not only have more kids coming to church, but also to know that their parents are bringing them and hearing the gospel preached as well.

Neil and Mandi Morgan (Spain)

Our College Missions Program students arrived in Spain two weeks ago. They have already learned so much about the Spanish people, their culture, and their language while learning about and helping with our ministry. They have started assisting in some English classes at a bookstore that is next door to our church. Please join us in praying that they will be able to build connections with the kids they are teaching, and that these kids may come to know Jesus through this opportunity. Pray also for us as we help host them and prepare for an ETEAM, who will be joining us soon.

Alejandro and Brianna Johnson (France)

Hello friends,

We regret to inform you all that we did not receive a letter from the CRRV regarding Breanna's visa within the two-month window of time in which they say to expect an answer. This unfortunately means that we are to assume it has been denied.

By God's grace, we are filled with the joy of the Lord right now, despite this disappointing news. The Lord has provided us opportunities to serve and teach even while we are waiting, and we are very grateful for that blessing. Alejandro continues to teach Axel via video call, which is going very well. We can't wait for these opportunities to continue in person.

So, what's next?

We will be going to Atlanta, to a new third-party company, to reapply for Breanna's visa on June 10. We are grateful to have more paperwork now than we ever have before and are prayerful that this will benefit us in this upcoming application process.

Thank you all for your prayers, words of encouragement, and support during this time. We know we say it often, but we don't have adequate words to express our gratitude to you all. Glory to God alone.

-Alejandro and Breanna Johnson

Ministry Marketplace

The SCFWB State Office Ministry Marketplace interface offers a shop-like section in the monthly Informer that connects churches/ministries (not for individual or personal use) directly with the product/items they want to buy or sell for ministerial purposes ONLY.

SCFWB State Office doesn't facilitate sales transactions. But it provides a place for sellers to advertise their products/items without getting involved in price and shipping processes between buyers and sellers.

With Ministry Marketplace, churches/ministries can:

- A) Display different items such as vehicles, furniture, sound equipment, etc.
- B) Make request for specific church/ministry needs
- C) Share free items

Any SCFWB Church/Ministry can participate by sending information (pictures and brief description of items) to the State Office.
