Missionary Updates

Jonathan and Amy Postlewaite (Bulgaria)

Greetings from Bulgaria,

Here are some ways that you can be praying for our ministry in the city of Pleven and the surrounding region:

Recently Amy and I went to the village of Odurne and had a wonderful time of discipleship with some of the people from our small church there. We talked about the attitude that Christians are supposed to have toward superstitions and about how to deal with those with whom we disagree about such things. Please pray that God will continue to grow these precious people in their faith and that God will use them to bring more people in that village to faith in Jesus Christ.

Please pray for "G" – a lady from Odurne who has been to church and other events and who has asked many questions about the Bible. She will be going to England for several months to see her son. Please pray that God will put people in her life even while she is in England whom He will use to grow the seed of the gospel that has already been planted in her life.

Please pray for our efforts to make disciples among the various groups of people in our city. It isn't always possible to make weekly discipleship meetings work because of conflicting schedules and other ministry responsibilities. However, the biggest need we face in this regard is the need for more workers to help in this harvest field. Would you please pray for God to move in a mighty way so that there will be more people to help meet the great need for more evangelism and discipleship among people in Pleven.

Thank you so much for praying!

Please let us know if you have any questions about our ministry.

In Christ,
Jonathan Postlewaite

IM News

New Partnership in Togo!

Over the past three years, the **St. Nazaire Free Will Baptist Church in France** has built relationships with believers from Togo and has begun holding **annual leadership training seminars**. These gatherings revealed both the hunger for God's Word and a lack of sound doctrinal teaching.

Many pastors expressed gratitude for the training and a strong desire to join and to see **Free Will Baptist churches established, further train other pastors and leaders, and support of local missionaries in their nation.**

In response, **Free Will Baptists** from **France, Ivory Coast**, and **IM, Inc.** began testing the viability of opening Togo to Free Will Baptist work. These efforts led to an exciting milestone: on **October 17, 2025**, a **Memorandum of Understanding (MoU)** was officially signed, marking Togo as a new Free Will Baptist partnership.

Hickory Hills FWB Church Roof Project Completed!

Over the course of two days, approximately 20 dedicated men came together in unity and service to replace the roof on Hickory Hills Free Will Baptist Church in Conway. This project was a wonderful display of teamwork and God's provision from start to finish.

The Disaster Relief Team is sincerely thankful for everyone who contributed—those who provided food to keep the crew nourished, those who offered lodging and supplies, and the many hands who labored faithfully to see the work completed. Every act of service played an important role in making this project a success.

We give all glory to the Lord for His goodness, guidance, and protection throughout the process. His hand was evident in every step, from clear weather to safe working conditions. Thank you to all who continue to pray for and support this ministry as we strive to serve churches and communities in need.

Ministry Marketplace

The SCFWB State Office Ministry Marketplace interface offers a shop-like section in the monthly Informer that connects **churches/ministries (not for individual or personal use)** directly with the product/items they want to buy or sell for ministerial purposes ONLY.

SCFWB State Office doesn't facilitate sales transactions. But it provides a place for sellers to advertise their products/items without getting involved in price and shipping processes between buyers and sellers.

With Ministry Marketplace, **churches/ministries** can:

- A) Display different items such as vehicles, furniture, sound equipment, etc.
- B) Make request for specific church/ministry needs
- C) Share free items

Any SCFWB Church/Ministry can participate by sending information (pictures and brief description of items) to the State Office.
