Missionary Updates

Jonathan and Amy Postlewaite (Bulgaria)

Greetings from Bulgaria,

Here are some ways that you can be praying for our ministry in the city of Pleven and the surrounding region:

- Last weekend was our annual national conference here in Bulgaria. It was a very encouraging time in which we heard several wonderful messages and were able to hear about the many things God is doing in all of our churches in Bulgaria. Please pray that God will continue to bless the entire Bulgaria church planting team as well as all the precious people in our churches as we endeavor to advance His kingdom.
- Please be praying for two couples with whom we are working here Pleven. Both of these situations involve cohabitation without marriage. There is also a kid involved in both situations. We have been very clear as to where we stand on marriage and we are praying that God will bring everyone involved around to see that the only right way to have a family that pleases God is for a man and wife to be married. Pray that God will help everyone involved to come to understand this truth and will obey God's will for their relationships and families.
- International medical students are starting to return to our city for the beginning of the term. This means that we will be able to resume discipleship with several of them and work at making connections with the unsaved students from various religious and cultural backgrounds. Please pray that God will open all the right doors and will work in peoples' hearts so that we will soon see something amazing happen among this international community right in our back yard.

Thank you so much for praying!

Please let us know if you have any questions about our ministry.

In Christ,
Jonathan Postlewaite

Neil and Mandi Morgan (Spain)

Neil has just begun to lead a discipleship group for boys ages 15-16. Will you please pray that this time of fellowship in God's word would be transformative for these guys? Also, Mandi is busy getting things ready to kick off practices for our children's Christmas play. Will you please pray for these preparations?

Blessings,
The Morgans

The Rawlinsons (Pueblo, Colorado)

GOOD NEWS!

Thanks for all the prayers! We have safely arrived in Colorado. We are so thankful for all the people who helped assist us in this big move.

CHURCH

We are so excited to announce that we have had one child dedicated to the Lord and three baptisms since arriving in Colorado. We are also excited to see our children's church growing, with an average of ten kids joining us every Sunday. To accommodate our expanding group, we've started renovations in the foyer and children's church area this month.

"ETEAM and CMP give students the opportunity to **live out the Great Commission**. No other experience has had a more profound influence on the hearts of our students than these opportunities. Of the four students we had participate in ETEAM and CMP last year, **they have all chosen to pursue Christian education through Welch**. These programs make a difference with the students and parents!"

IM News

We are so thankful for each pastor who supports and sends students from their churches to participate in ETEAM and CMP!

These programs are vital for young people discovering their role in the Great Commission and discovering God's calling on their lives.

ETEAM and CMP applications and references are due October 15!

📌 Pastors, check out the student missions promotional package [here](#) on our website. Encourage the students in your churches to apply!
